### Mrs. Horning Seriously Injured

Mrs. T. H. Horning of Otter Rock, formerly Toledo, was injured quite seriously last Friday in a runaway. She was thrown out of the rig and sustained a fracture of her left wrist and shoulder. Mrs. Horning is now at the home of her brother, B. F. Jones, at Newport, and at last report was getting along nicely. Banker C. E. Hawkins is a Portland visitor this week.

### WATER—WATER—WATER

We should have said no water, that is there will be no water Sunday as Water Superintendent Nye expects to have the water shut off that day while cleaning the reservoir. Better draw out a supply in advance. Same will be turned off at eight o'clock a.m.

### LEASES HOTEL DIXON

Wm. Kruger, recently of Oregon City, was in the city Tuesday. Mr. Kruger has just made arrangements for leasing the hotel Dixon at Elk City. Mr. Kruger is an old hand in the business and will conduct a first class dining room. The summer tourist travel at Elk City is growing larger every season and we predict that Mr. Kruger will do well. He invites you to give a call when in Elk City.

G. C. Damon was in the city Wednesday from Eddyville.

Hon. B. F. Jones was up from Newport Wednesday.

Assessor W. E. Ball was a Newport visitor Sunday.

Geo. Hodges attended the sale at the livery barn Wednesday.

The local sawmill has shut down temporarily for want of logs.

Mrs. Luree Roberts completed a very successful term of school in the Hiser district last Friday.

L. F. Rasmussen was up from Yapuna on business Tuesday.

Wm. Towner and wife of Siletz went to Independence Tuesday.

Justice Allen of Elk City and Berry of Newport have been busy this week making the official canvass of the vote cast at the Primary election.

L. H. Payne of Newport was in the city Monday morning enroute to Siletz where he is doing some masonry work for E. L. Chalcraft, at the Government buildings.

V. E. Faulkner and F. V. Cox of Denzer were in the city several days this week, going to Corvallis this morning. These gentlemen expected to go to work in the mill but were disappointed owing to the mill shutting down.

The graduation exercises of the Toledo High School were held at the Dime theatre Wednesday evening. The house was jammed to its fullest capacity and numbers went away disappointed. The Class consisted of eleven, four boys and seven girls, which, we believe, is the largest high school class ever graduated in the county. The High School Annual was on sale, and went like hot cakes, there not being enough to go round.

### Official Returns Primary Election

The primary election passed off quietly in Lincoln county, and while all were not elected, they have proven themselves good sports, and taken their lickin manfully. Some of the candidates did not get as large a vote as they expected, but this has all been explained by William Matthews who complains that there was no room enough on the ballot to vote all you wanted to?
