BUTTER-KIST

The Crackling White Popcorn
With the TOASTY FLAVOR

The kind you see advertised in your national magazine. It is automatically popped, buttered and toasted to a crisp that makes your mouth water. It is untouched by human hands. It is made only on the BUTTER-KIST MACHINE. It is sold in butter-proof bags and cartons. Only pure creamery butter is used.

PIPE LINE NEEDS RENEWING

At the last meeting of the City Council, Water Superintendent Arthur Nye reported to the Council that the pipeline from Mill Creek, which supplies the city with water, was going to pieces where it crosses the tideland. This condition is caused by the action of the salt in the tidelands upon the steel wrappings of the wood pipe, causing them to rust. The wrapping on the pipe is badly eaten by the rust and owing to the high pressure carried by the pipe across these lowlands, the pipe bursts immediately the wrapping gives away.

The council has been looking into the advisability of re-locating this line on the hill around the tidelands and has had engineer McMillan make a survey and plat of the proposed new route. Mr. McMillan has reported favorably upon the new location and the question now up to the Council is the financing of the proposed new work.

The new part to be laid will be approximately two miles of pipe, all high pressure line, and will cost in the neighborhood of \$4,000 it is estimated. The City has no available money with which to do this work and it will be necessary to have an election to vote bonds for the purpose of financing the project.

TWENTY TWO YEARS AGO

Items of interest taken from the files of the Leader of that date

Hon Beal Gaither and Sam Center came over from the Agency last Sunday to hear Mr. Weatherford.

George Sylvester informs us that he has again got the wire for his telephone line from Newport to Toledo up, and as quick as the instruments, which have been ordered, arrive, it will be got into working order. The line will extend only as far as Toledo at present.

Be careful how you handle the Australian ballot. Remember you mark out the names of those you don't want to vote for and not interfere with the names of those you wish to vote.

ELEVEN YEARS AGO

Items of interest taken from the files of the Leader of that date

Newport and Toledo crossed bats here Sunday—Toledo winning by the score of 19 to 10.

Dr. F. M. Carter of Yaquina passed through Wednesday morning enroute to Jacksonville in response to a message announcing the dangerous illness of his brother.

Miss Ethel Ross returned last Saturday from Salem where she has been taking a special course at the Capital Business College. The Lewis and Clark Fair opened in Portland yesterday.

BIDS WANTED

Notice is hereby given that the School Board of Dist. No. 2, Toledo, Oregon, will receive bids for furnishing wood for the year 1916 as follows: ten cords delivered at the grammar school building; forty cords delivered at the high school building. Bids to specify kind of wood and price. Wood must be delivered not later than August 1st, 1916.

Bids will be opened Monday, June 19th, at one o'clock P. M. The Board reserves the right to reject any and all bids.

By order of the Board:
F. N. Hayden
Clerk.

NOTICE OF FINAL ACCOUNT

In the County Court of the State of Oregon, for the County of Lincoln. In the matter of the estate of Paer A. Miller, deceased.

Notice is hereby given that the undersigned, administratrix of the estate of Paer A. Miller, deceased, has filed her Final Account as such administratrix with the Clerk of the above named court, and that the Judge of said Court has fixed Monday, June 27th, 1916, at ten o'clock in the forenoon thereof, at the County Court room, as the time and place of hearing objections to said Final Account, should any there be.

Dated this 21st day of May, 1916.
Marie Miller
Administratrix of the estate of Paer A. Miller, deceased.

Bulletin No. 1

A Mistake in the Policy of
the Bethlehem Steel Company

To the People:

The Senate of the United States has passed a bill to spend \$11,000,000 of the People's money to build a government armor plant. The measure is now before the House of Representatives.

It is said that manufacturers of armor have "gouged" the country in the past, and that a government plant is necessary to secure armor more cheaply.

The mistake of the Bethlehem Steel Company has been that it has kept quiet.

We have allowed irresponsible assertions to be made for so long without denial, that many people now believe them to be proven facts.

We shall make the mistake of silence no longer.

Henceforth we shall pursue a policy of publicity. Misinformation will not be permitted to go uncorrected.

It is and has been the policy of our Company to deal with the American Government fairly and squarely.

We shall henceforth place the details of our relations with the Government before the American People.

The United States has for twenty years obtained the highest grade of armor and has paid a lower price for it than has any other great naval power.

Figures officially compiled for the Senate Committee on Naval Affairs from the Naval Year Book show that under conditions prevailing just before the European war, the chief naval powers of the world were paying these prices for armor:

England, \$503 per ton; France, \$460; Germany, \$490; Japan, \$490; UNITED STATES, \$425.

A government plant cannot make armor any cheaper than we can do it; and—

We are prepared to manufacture armor at any price which the Government itself shall name as fair. THAT BEING SO, SHOULD \$11,000,000 OF THE PEOPLE'S MONEY BE WASTED TO BUILD A GOVERNMENT PLANT?

CHAR. M. SCHWAB, Chairman
EUGENE G. GRACE, President

Bethlehem Steel Company

For something extra for your
Sunday dinner, go to Fredericks
Quality Store.

Do you need a grubbing machine? One that will lift 4 tons; a press that will press 4 tons (for hay or moss or anything); a wagon jack that will lift your heaviest load out of a mud hole in 5 minutes; a wire stretcher and mender in both barb and woven wire; a post puller; a bench vise; a clamp (4 tons pressure); a pipe vice, all in one tool weighing only 20 pounds? Then write or call on

John Helgeson,
Peerless Tool Co's agent for Lincoln County, at Toledo, Or.

Jess Farrin, breeder of Registered Holstein Cattle. I have a few bulls for sale. Taft, Ore.
