Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week . . . students enrolled 785, largest on record for state Normal in Oregon . . . how to care for large student body a problem . . . 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.

The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

- By James Withycombe, Governor of Oregon: "Oregon is unquestionably in need of more normal school work and Pendleton is the logical place for a school of this class in Eastern Oregon."
- By J. A. Churchill, State Superintendent of Public Instruction: "I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."
- By P. L. Campbell, President of the University of Oregon: "At least one additional Normal School is urgently needed in Oregon."
- By W. J. Kerr, President of the Oregon Agricultural College: "Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."
- By J. H. Ackerman, President Oregon Normal School, at Monmouth: "A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."
- By the County School Superintendents of Oregon: "Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."
- By Mrs. Charles H. Gastner, President of the Oregon Federation of Women's Clubs: "I most heartily endorse the location of said Normal School at Pendleton."
- Prof. Robert C. French, Former President of the Normal School Located at Weston: "An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."
- B. F. Mulkey, Ex-President Southern Oregon Normal School: "I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and say Pendleton most logical location for Normal school in Eastern Oregon.

THE GOOD JUDGE SETTLES A MISUNDERSTANDING.

"I'LL POKE ANY MAN IN THE JAW THAT SAYS W-B CUT IS NOT THE REAL TOBACCO CHEW."
"COME OFF— I'VE GOT THE REAL TOBACCO CHEW, SO POKE YOUR OWN JAW."
"WAIT, BOYS— YOU'RE BOTH RIGHT— W-B CUT IS LONG SHRED, BUT RIGHT-CUT IS SHORT SHRED, BUT BOTH ARE THE REAL TOBACCO CHEW. NOW SHAKE HANDS."

YOU want to remember that the same fine stock is used in both W-B CUT and Right-Cut. The difference is that one is long shred and the other is short shred, both seasoned with a bit of salt. You will know real tobacco satisfaction when you cut out the old kind and take up either one of the Real Tobacco Chew twins. A little chew lasts and satisfies.
