Pendleton Normal School Proven Necessity

(Copied from Portland Oregonian.)

MONMOUTH, Ore., June 26.—The Oregon Normal school opened this week... students enrolled 785, largest on record for state Normal in Oregon... how to care for large student body a problem... 800 being crowded into auditorium with seating capacity of 550. Galleries filled with extra chairs in aisles. More than 150 students seated on platform. New boarding houses completed, additions to rooming houses built and tents used. One hundred girls sleep on upper floor of school.

The official school report gives 150 grade pupils in Monmouth, for teacher practice.

Read what those you have elected to handle the affairs of your state and who are thoroughly informed regarding school conditions in Oregon have to say concerning measure 308 on the ballot at the coming election:

By James Withycombe, Governor of Oregon:

"Oregon is unquestionably in need of more normal school work, and Pendleton is the logical place for a school of this class in Eastern Oregon."

By J. A. Churchill, State Superintendent of Public Instruction:

"I trust that the voters of the State will assist in raising the standard of our schools by establishing a State Normal School at Pendleton."

By P. L. Campbell, President of the University of Oregon:

"At least one additional Normal School is urgently needed in Oregon."

By W. J. Kerr, President of the Oregon Agricultural College:

"Since the people of Pendleton are initiating a measure for the establishment of a Normal School at that place, it will give me pleasure to support this measure."

By J. H. Ackerman, President Oregon Normal School, at Monmouth:

"A careful analysis of the situation will convince any one that Oregon needs a Normal School in Eastern Oregon and Pendleton fills all the government requirements."

By the County School Superintendents of Oregon:

"Resolved, that it is the sense of the County School Superintendents of the State of Oregon, in convention assembled, that the best interests of the schools of the State demand increased facilities for the training of teachers, and that we, therefore, endorse the initiative measure to establish a Normal School at Pendleton."

By Mrs. Charles H. Castner, President of the Oregon Federation of Women's Clubs:

"I most heartily endorse the location of said Normal School at Pendleton."

Prof. Robert C. French, Former President of the Normal School Located at Weston:

"An immediate establishment of such a school at some central point such as Pendleton would prove a great asset to the State of Oregon."

B. F. Mulkey, Ex-President Southern Oregon Normal School:

"I shall support the location of an Eastern Oregon Normal School at Pendleton."

State Board of Regents of Oregon Normal School declares that "the necessity for additional Normal school facilities in Oregon is apparent."

Portland Chamber of Commerce endorses measure 308 and say Pendleton most logical location for Normal school in Eastern Oregon.

THE GOOD JUDGE WAS NOT SURPRISED.

HELLO, MAYOR! I THOUGHT YOU SAID IT WAS TOO STRONG!
I WAS LIVING TOO HIGH TAKING TOO LARGE A CHEW. NOW I'M GETTING WISE.
THAT'S THE IDEA—A SMALL CHEW LOOKS BETTER AND TASTES BETTER.

THE tip from a user of W-B CUT Chewing to a beginner is:

"If you won't take a little chew don't take any. W-B CUT isn't ordinary tobacco. It's rich tobacco—a chew as big as a regular sized wad of plug is too much of a good thing. If you really want to know what tobacco satisfaction is, tuck a little nibble of W-B into your cheek, and notice how the good tobacco taste lasts and satisfies."
