GETTING EVEN

Last Spring it was reported that a number of Democrats and Socialists had registered as Republicans in order to defeat the nomination of certain Republican candidates. The Republicans now have an excellent opportunity to get even by voting the ticket straight and giving our Republican candidates an overwwhelming majority. We have a good strong lineup and you cannot do better than to vote it straight.

GRANGE RESOLUTION

TO THE HONORABLE COUNTY COURT OF LINCOLN COUNTY, ORE.

Whereas: The success and prosperity of the county largely depends on the success and prosperity of the farmer class: and,

Whereas: The farmers bear the burden of taxation, and the only benefits they derive therefrom are what they get for their schools and the little they get on their roads: and,

Whereas: A large part of our farming class are homesteaders that have come from the mine, factory and shop, and know but little about tilling the soil, clearing land and dairying, and the instructions and advice from an expert would be of great help and benefit to them: and,

Whereas from information from our neighboring counties, Yamhill, Tillamook and Coos, where they have County Agents, the benefits derived by the farmers are many times the cost of maintainence. and,

Whereas: The amount will be well spent, because of the fact that the increased valuations based on increased production that is bound to follow the appointment of a County Agent will make possible the building of roads and other improvements that are not to be thought of at the present time: Therefore,

Be it resolved by Toledo Grange No. 426 P. of H., at its regular meeting held on the 14th day of October, 1916, that we demand that the County Court of Lincoln County grant the petition asking for a County Agent, and make provisions therefore.

Respectfully submitted under seal of Toledo Grange No. 426, P. of H., this the 21 day of October, 1916.

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled cigarette *unless* you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real reason* for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite and parch!* You can smoke it long and hard without a comeback! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just *answers the universal demand for tobacco without bite, parch or kick-back!*

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheerfullest investment you ever made!

Prince Albert is sold everywhere in toppy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors—and—that clever crystal-glass pound humidor with sponge-moistener top that keeps the tobacco in such splendid condition.
