NOTICE OF SALE

In the Circuit Court of the State of Oregon for the County of Lincoln

Lambert Nelson, Plaintiff,
vs.
J. B. Miller Logging Company, a corporation, The Portland Mercantile Co. a corporation, The State Accident Industrial Commission, a corporation, Geo. W. Moore Lumber Company, a corporation, Spain E. Pearce, H. S. Davis and J. B. Miller, Harriet R. Moore and R. L. Sabin, Trustee, Peter Casey Tom McClaughery, Steve Zon Joe Oscar and E. F. Hilsabeck, Defendants.

Please take notice that pursuant to the order of the court in the above entitled cause made and entered on March 21, 1917, the undersigned George Schenck, the duly appointed, qualified and acting Receiver of the defendant J. B. Miller Logging Company in the above entitled court and cause will sell the real and personal property of the defendant, J. B. Miller Logging Company, a corporation, as an entirety and as a going concern free from all incumbrances and without the right of redemption for cash in hand and to the highest bidder at public auction at a price not less than the sum of $27,000 at the Court House door in Toledo in Lincoln County, Oregon, at the hour of one o'clock P. M. on the 28th day of April, 1917, which said property both real and personal is described as follows, to-wit:

Real Property

1— A strip of land twenty feet on each side of a line which begins at a point that is three hundred and fifty-two feet west of the quarter section corner between sections twenty-nine and thirty, in township ten, south range ten west, of the Willamette Meridian; running thence south nineteen degrees and sixteen minutes east, two hundred and forty-two feet; thence south thirteen degrees fifty-two minutes east, three hundred seventy-six feet; thence south, five degrees eight minutes west, four hundred twenty-six feet; thence south, two degrees two minutes west, one thousand thirty-eight feet, thence south, five degrees thirty eight minutes west, two hundred and three feet; thence south, eighteen degrees, fifty-two minutes west, forty-four feet; to a point which is two hundred seventy-three feet west of the corner to sections twenty-nine, thirty, thirty-one and thirty-two, in township ten, south, range ten west, of the Willamette Meridian;
Also
2— A certain strip of land forty feet in width for the whole length thereof, the center line of said strip beginning at a stake seventy-eight feet in a southeasterly direction from the bridge across Depot Slough on the farm of J. G. Whitels, in section thirty-one, township ten, south, range ten west, of the Willamette Meridian; running thence in a straight line to the northeast corner of said farm where said corner lies in an ell formed by the land of Ora A. Copeland and wife; also, running from said stake first above described in a southeasterly direction following the base of the hill, just keeping on the hill sufficiently to keep off the bottom land to the south line of said farm, the said strip of land now being occupied and used as a right-of-way for a logging railroad;
Also
3— A strip of land forty feet in width lying twenty feet on each side of a center line which is described as follows: Beginning at a point seventy feet west from the center of section six, township eleven, south, range ten west, of the Willamette Meridian, which point is marked by a fir post from which a fir tree twenty inches in diameter bears north twenty-eight degrees thirty minutes west, two hundred and sixty-four links distant, marked "P. T." thence south, twenty-five degrees thirty minutes east, one thousand one hundred and forty-four feet to a point on the one-sixteenth section line and four hundred twenty-two feet north, eighty-nine degrees fifteen minutes east, of the north-west corner of the southwest quarter of the southeast quarter of section six, township eleven, south, range ten west of the Willamette Meridian, which point is marked by a vine maple post from which a willow twelve inches in diameter bears south, sixty-nine degrees thirty-four minutes west, four hundred links distant, marked "P. S. 1-16 S. B. T.", a fir tree thirty-four inches in diameter bears south, fifty-four degrees, twenty-six minutes east, three hundred ten links distant, marked "P. S. 1-16 S. B. T."
Also
5— A strip of land forty feet in width, lying twenty feet on each side of a center line described as follows; to-wit: Beginning four hundred twenty-two feet north, eighty-nine degrees fifteen minutes east of the one-sixteenth section corner at the northwest corner of the southwest quarter of the southeast quarter of section six, township eleven, south, range ten, west of the Willamette Meridian, which corner is marked by a vine maple post from which a willow twelve inches in diameter bears south, sixty-nine degrees thirty-four minutes west, four hundred links distant, marked "P. S. 1-16 S. B. T."; a fir tree thirty-four inches in diameter bears south fifty-four degrees, twenty-six minutes east, three hundred ten links distant, marked "P. S. 1-16 S. B. T."; thence south, twenty-five degrees thirty minutes east, one thousand five hundred thirty-five and two tenths feet; thence on a ten degree curve to the right one hundred fifty-eight and three-tenths feet; thence south, nine degrees forty minutes east, three hundred forty-seven and nine-tenths feet; thence on a ten degree curve to the right one hundred fifty-six feet; thence south five degrees fifty-five minutes west, one hundred sixty-one and six-tenths feet, to a point on a line between sections six and seven and six hundred eighty-four feet north, eighty-nine degrees fifteen minutes east, from the quarter section corner, which corner is marked by a vine maple post four inches square, thirty inches long, and set fifteen inches in the ground, marked "⅛ S. 7" on the south, and "6" on the north facing, from which a fir sixteen inches in diameter bears north, seventy-four degrees east, thirty-one links distant, marked "P. S. ¼ 7 B. T. a vine maple five inches in diameter bears north, forty-seven degrees west, thirty-six links distant, marked "P. S. ¼ S. 7 B. T."; thence south, five degrees fifty-five minutes west, nine hundred forty-six feet, to a stake on the right bank of Depot Slough;
Also
6— A strip of land forty feet in width, being twenty feet on each side of a center line described as follows: Beginning at a point forty feet east of the southwest corner of the land belonging to S. Romtvedt Estate in the northeast quarter of Section 31, Township 10, South, Range 10, West of the Willamette Meridian; running thence northeast along the hill four hundred feet to a point two hundred seventy-four feet west of the corner of Sections 29, 30, 31 and 32, in said Township and Range;
Also
7— A strip of land forty feet in width through the north half of the southeast quarter of Section 30, Township 10, South, Range 10, West of the Willamette Meridian, said strip of land lying west of Depot Slough Creek, and running from the division line between the lands of J. F. Steele to the line between the lands known as the Rader and Kyniston lands, being the right-of-way for a logging road as is now located;
Also
8— A strip of land forty feet in width through the land now owned by Hugh Murray and Minnie Murray, in Section 6, Township 11, South, Range 10, West of the Willamette Meridian;
Also
9— A strip of land forty feet in width across the northeast quarter of Section 30, Township 10, South, Range 10, West of the Willamette Meridian, across the land known as the Kyniston land;
Also
10— A strip of land forty feet in width for a right-of-way for a logging road running north from a point on the right-of-way on the Kyniston land in a northerly direction to the line between sections 19 and 30, Township 10, South, Range 10, West of the Willamette Meridian.

Together with all and singular the right of way and contracts for right of way and land owned by defendant J. B. Miller Logging Company in Lincoln County, Oregon.

NEWPORT SCHOOLS

Newport, Or., Mar. 18, 1917.

Editor Leader;— I have hesitated to request space in your valuable paper for further discussion of Newport High School affairs, but the intelligent class of our citizens does not desire the impression to go out 'hrough the county that they are to be judged by the egotistical school-girl effusion that appeared in your last issue, under the pseudonym of "Student."

The slur thrown at Toledo's excellent High-School system in that article, was a fair sample of the liberal attitude of this would be censor of the public press. There are unfortunately in every community a few narrow minded and misguided individuals who think it an evidence of their own superiority, to belittle the citizens and institutions of adjoining towns, but we bespeak for "Student" our charitable indulgence. She is quite young, and the very young always are influenced by surrouding environments. For two years she has been imbibing learning at the feet, of whom to her unprejudiced (?) mind, can only be spoken of as "Superintendent and Principal in Chief of the Newport High School System."

She reminds us somewhat of little Yankee Doodle who "Mounted his pony, stuck a feather in his anatomy and called him 'Macaroni,'" when she gushingly compares the miserable condition of High School affairs of two years to its present efficient condition, and gives all the praise to said "Superintendent." We wonder what her opinion will be two years hence, for idealistic youth is proverbially fickle.

The facts about the present controversy here are simply as follows;—

Newport School has a registered attendance of less than 250 pupils. Supt. Goin is our authority for the statement that the State Board of Examiners have ruled that no school with less than 400 pupils can elect a Superintendent.

The official Blue Book for 1916 lists Prof. Ortman, as Principal of Newport High School. Yet Student says that he is a "Superintendent," and that Prof. Genn is the Principal.

Either the State Board is wrong, or the Blue Book is wrong, or "Student" needs another two years study in English before she again airs her erudition.

The plaint of the taxpayers of this school district is that our School Board is paying a Principal a Superintendent's salary, when we cannot legally employ a Superintendent. Plenty of efficient men can be secured as Principal, at a salary of $1000.00 the same as you pay at Toledo. This alone would be a saving of $1530.00 per year. Our Board is now admitting that it can dispence with several teachers without impairing the efficiency of the schools. It is the present waste of the taxpayers money that we are complaining of and "Student" is not the only one who was "astounded" when the true facts in this controversy became known. For example, Newport High, with 47 pupils, is paying Prof. Ortman, Principal, $1530.00. Roseburg, with 300 pupils, pays her principal $375.00 less. Hood River, 222 pupils, pays $405.00 less, etc., etc. Dozens of similar comparisons to our disadvantage can be seen in the Blue Book by those who care to further investigate the matter. "Student" quotes a lot of figures in her article, but her figures compare Prof. Ortman's salary here as Principal (for he legally is nothing else) with that of the salary paid Superintendents in other cities, and is therefore about as pertinent to the question, as though she were to dub her idol as "President," and compare his salary with that of President Kerr, of O. A. C., or President Campbell, of U. of O.

We challenge the School Board, "Student", or the so-called "Superintendent" to produce any record in the school minutes that mention Ortman's election as a Superintendent. On the other hand I am informed by reliable authority that it was specifically stated in such minutes that he was elected as Principal.

Hence the utter absurdity of "Student's" entire article, and the contentions of the School Board is patent to any one, and seems so plain that even a wayfairing student should not err therein.

The taxpayers of this diartct are trusting that when the choice of teachers and salaries are made for the coming year by the Board, they will govern themselves by the rules of the State Board, and use the same diligence in handling our school affairs that they exercise in their private business.

We certainly have a right to demand that much. We further suggest that "Student" be given another two years course in "Elementary Lessons of English," and the "Science of Figures," before setting out to reform vagaries of her own brain.

"Not A Student."

WANTED—Good second second hand saddle. Parties having one for sale please phone or write John Bradbury, Toledo, Oregon.

IT'S natural that a gentlemanly feeling should prompt one man to tell another about W-B CUT Chewing, so he, too, may enjoy the contentment there is in rich, sappy tobacco—and also avoid so much chewing and spitting.

The common-sense of it appeals to people with brains. There's no getting 'round facts, W-B will save a man money—a little chew lasts and satisfies. A 10c. pouch goes twice as far as ten cents' worth of the old ordinary kind of chewing.
