OREGON FIRST

Oregon first in army and navy enlistments.

Oregon first in Liberty Bond over-subscription.

Now add the third great entry on the National Honor roll.

Oregon first to over-subscribe its \$600,000 quota of the \$100,000,000 Red Cross emergency war service fund.

H. L. Corbett, general chairman of the state campaign committee, which is responsible for raising \$400,000 believes it will be done.

W. B. Ayer, general chairman of the Portland campaign committee, which is responsible for raising \$200,000, believes it will be done.

Oregon biggest business men, Oregon's most prominent women—thousands of them are devoting practically full time to the campaign, regardless of personal sacrifice—believe it will be done.

Very soon the story will be told. Red Cross Week began June 18, ends June 25. In a short 7 days the state generally must raise \$85,914 a day, \$10,475 for each hour of an 8-hour working day.

It will be done. The task is great, but Oregon's willingness is greater. Never has Oregon failed in full response to the appeal to generosity and now the Universal Service of Mercy pleads.

RACE PULLED OFF

Albany, Or., June 21.—Daily workouts by the cowboys and cowgirls who will take part in the Western Oregon Round-up, July 2, 3 and 4th show the arena and track to be in perfect condition. Some fast time is made in practice relay and pony express races by Bertha Blanchett, Dorothy Morrell, "Skeeter Bill" Robbins, Hank Potts, Bob Hall and others of the score and more of riders who have already assembled here.

An amusing miniature round-up was pulled off on the local field the other day. A lot of bucking horses brought up from California were being tried out. A dozen riders were putting them through the paces to test their mettle. A crowd of local people watch the daily workouts and on this occasion a purse was made up from the crowd to make the event interesting.

It certainly worked, for some of the best bronco busters on the coast bit the dust that day. After a hot but friendly contest the judges split the money between "Skeeter Bill" Robbins, Hank Potts and "Broncho Bob" Hall.

STENOGRAPHERS WANTED

The United States Civil Service Commission announces that an examination for stenographer and typewriter, Field Service, will be held in forty different cities throughout the Eleventh Civil Service District, June 30, 1917. Both men and women will be admitted to this examination. There is an urgent need of male stenographers and typewriters for all branches of the service in the Eleventh District, but particularly in the Quartermaster Corps of the United States Army, at an entrance salary of \$1000 per annum. Typewriters without a knowledge of stenography are in demand and every eligible on the male typewriter register willing to accept an entrance salary of \$1000 per annum will be appointed. Male typewriters willing to serve their country under the conditions named should apply for this examination. Applications and full information will be furnished by the local secretary, Board of Civil Service Examiners, Post Office, at any of the offices where the examination will be held, or by the District Secretary Room 303 Post Office Bldg., Seattle, Wash.

HON. W. C. HAWLEY WRITES

House of Representatives, U. S., Washington, D. C., June 13, 1917

Hon C. B. Crosno, Toledo, Oregon.
My dear Friend:

I have just had a conference with Col. H. C. Newcomer, a member of the Board of Engineers for Rivers and Harbors, relative to the improvement of the Yaquina Bar and Harbor in accordance with the project favorably reported by the Army Engineers. I understand from Mr. C. S. Davis, of Siletz, that the Port Commission desires the engineers to prepare the plans for improvement and to furnish engineering supervision so that the money raised by the port from the sale of bonds can be effectively expended along the lines the engineers may approve, and in a manner that will give the port credit for such expenditures as its half of the cost of improvement.

Colonel Newcomer suggests that the new Port Commission make formal application to the Corps of Engineers, U. S. Army, for approved plans for the improvement and for an engineer who will give engineering supervision of construction. I think this a wise suggestion. It is essential that the cost of any work done by the Port should be done in such a manner that the engineers will approve it and give full credit upon the one-half of the cost the port is to provide.

The report of the engineers favorable to the improvement has been sent to the public printer, but was not available for Congress when the present river and harbor bill was reported, and this item was therefore not included in the pending bill. This report is not yet available. I hope it will be before the bill is passed by the House and if so, I will offer an amendment to provide for the Yaquina. I will probably do so even if the report does not come in, but Congress has hitherto rejected amendments offered before reports become available.

With best wishes, I am,
Truly yours,
W. C. Hawley.

IRRITABLE NERVOUS

Was Condition of Indiana Lady Before Beginning to Take Card-u-i, the Woman's Tonic.

Kokomo, Ind.—Mrs. H. Hankemeier, of this town, says: "I look so well, and am so well, that it does not seem as if I ever needed Cardui. But I was not always this way... I think I have taken a dozen bottles... before my little girl came.

I was feeling dreadfully bad, had headache, backache, sick at my stomach, no energy... I was very irritable, too, and nervous.

I began taking Cardui about 6 months before my baby came. As a result all those bad feelings left me, and I just felt grand, just as if nothing at all was the matter, and when the end came I was hardly sick at all.

Since that I have never taken Cardui at all... It has done me good, and I know it will help others, if they will only try it."

Many women have written grateful letters like the above, telling of the good that Cardui has done them. Why should it not help you, too? If you suffer from any of the ailments so common to women, and feel the need of a safe, reliable, strengthening tonic, we urge you to begin today and give Cardui a fair trial. Your dealer sells Card-u-i. EB-10

BAKER SHAVES STATE TAX

Payment Held to 6 Per Cent increase and Suit May Result Salem, Or., May 28—(Special)—Baker County officials informed State Treasurer Kay today that they intend to pay for that county's share of the state tax, only 6 per cent more than was paid for the state tax last year, or \$59,839. The amount of state tax which has been assessed against Baker County is \$62,646.90.

They maintain that under the 6 per cent limitation amendment their share of the state tax is only 6 per cent in excess of what the tax was last year.

It was said at the Treasurer's office here that it is the duty of the County Treasurer to turn over the money due and that if it is not turned over it is the duty of the District Attorney of that county to start proceedings to oust him from office.

FOR SALE

Only confectionery and ice cream parlor in Toledo. Centrally located, and is an old established business. Will sell stock and fixtures, also half interest in building if desired.

Mrs. Arthur Nye and children returned home from Portland last evening. Mrs. Nye was a delegate to the State Chapter of Eastern Star which was held in Portland.

J. W. Graham and family, accompanied by Miss Eleanor Grady, autoed to Kings Valley Sunday, returning Monday. Billy reports the roads in very good condition, with the exception of the Pioneer Mt. road.

Horatio Crosno, of Walla Walla, Wash., spent Tuesday with his uncle, C. B. Crosno, and family at this place. Mr. Crosno is traveling guard for the Washington state penitentiary, and was enroute to San Francisco, after a prisoner.

Misses Annie Hawkins and Corlaine Pennington departed yesterday morning for Clarksville, Arkansas, where they will spend the summer with the latter's mother. Miss Pennington will teach the primary grade in the Toledo schools this coming term.

The roads between here and the county line are in first class condition, barring the stretch from here to Chitwood. We are informed that County Commissioner W. F. Wakefield, and others, have been out with teams donating work to put these roads in shape. The roads in all parts of the county are being worked by volunteer labor this year, and they are getting splendid results.

The Red Cross Committee of Toledo and its territory are making strenuous efforts to meet the amount of money apportioned to them. In most instances they are meeting with the success expected, but some do not seem to understand the importance of this great work as yet. Some also do not understand that this drive is confined to this week only. It is the intention of the committee to publish a full list of donors to this drive fund next week together with the full amount contributed by each.
