There's nothing of guessing or speculation in regard to  
Ford Cars. Their practical value is being daily demon-  
strated by more than 1,750,000 Ford owners representing every  
phase of human activity. Ford Service for Ford Owners is  
as universal and reliable as the car itself. Dependability  
and economy in car and service. Better buy your Ford to-  
day—you want it and it will serve you every day, winter  
and summer. Touring Car \$560, Runabout \$345, Coupelet  
\$505, Town Car \$555, Sedan \$645—L. O. B. Detroit. We  
solicit your order.—A. T. PETERSON, Local Agent, Toledo.

There is more Catarrh in this section  
of the country than all other diseases  
put together, and for years it was  
supposed to be incurable. Doctors prescribed  
local remedies, and by constantly failing  
to cure with local treatment, pronounced  
it incurable. Catarrh is a local disease,  
caused by constitutional conditions  
and therefore requires constitu-  
tional treatment. Hall's Catarrh Medi-  
cine, manufactured by F. J. Cheney &  
Co., Toledo, Ohio, is a constitutional  
remedy, is taken internally and acts  
thru the blood on the mucous surfaces  
of the system. One Hundred Dollars re-  
ward is offered for any case that Hall's  
Catarrh Medicine fails to cure. Send for  
circulars and testimonials.

taken for the Red Cross. We  
are glad to see the people inter-  
ested in the good work.

Miss Augusta Evans left for  
Summit Tuesday where she will  
spend the summer.

Mr. and Mrs. E. T. Raddant  
left for the Albany Round-up  
Tuesday.

John Pensee made a trip to

## FIEGLES CREEK

A tempest in a teapot so to  
speak. Last Saturday afternoon  
a wind storm raged carrying  
leaves, twigs and small limbs  
in its wake.

Mr. and Mrs. Boles and Miss  
Etta Boles are enjoying a few  
days outing here. Miss Boles  
is enjoying a deserved rest after  
another studios year at O. A. C.  
having just completed a course  
in home economics which is a  
pretty good topic in its self.

Mr. Kessi arrived with the  
ayrshires according to promise.  
They are O. K. and point quite  
significantly that blue blood will  
tell.

Frank Mulvany and C. T.  
Lindley went to Racks Creek  
last week to lay off road work  
for Messers Sharp and Jones  
who are doing donation work  
on the Racks Creek-Fiegles  
Creek road.

This week Mulvany has a  
small gang at work in the slide  
below Kessi's. Those working  
are: Z. A. Kessi, C. F. Lindley,  
M. E. Walker, Will Kessi and  
Frank Mulvany. Good bye  
Slough of Despond.

Mrs. Isaac Boles gave us a  
very interesting and instructive  
talk Tuesday about the Cana-  
dian trip which she enjoyed very  
recently, having gone from Cor-  
vallis to Spokane, Wash., Ra-  
gina, Sask., Prince Rupert (40  
miles from Alaska) where the  
party took boat back to Seattle  
and home. And mind you this  
trip was accomplished during  
the winter months; yet one of  
the show places of my home  
town is the dwelling that shel-  
tered Lady Franklin while she  
was on the Oregon coast in  
search of her distinguished and  
unfortunate husband, Sir John  
Franklin. I remember of gazing  
with wonder at Lieutenant  
Schwatzka, arctic explorer so you  
perceive that I was always  
cracked after glory and celebra-  
tion—ethnology being a draw-  
ing card with the romantically  
inclined. Ah! but that was in  
the yesterday. What of the  
Leipzig Messa, Beyrenth or Ob-  
errammgau? The World's play  
ground.

Promoters of the Red Cross  
were working up some interest  
at our polling place last week.  
Yes, we needs make rapid strides  
because the women folk of Ger-  
many have been trained just as  
carefully along those lines as the  
German men have learned mili-  
tary tactics. Because of friend-  
ships, I have been able to get a  
pretty accurate idea of German  
thrill visiting young ladies high  
schools where enforced training  
courses are supported. Band-  
aging, restoratives and arteries  
to them is an open book. Man-  
liking and colored fluids are most  
effectively employed as demon-  
strators or in demonstration.  
Fellow citizens we have not only  
the German man but also their  
helpmeets who are not simply  
"help eats", I beg to assure you.  
From what I have observed the  
women of Germany are its back  
bone. I who have not a single  
drop of Teutonic blood say this  
as a tip to my fellow citizens.  
Perhaps I lean a little towards  
my sex preferring women rulers.  
glorying in the lamented Queen  
Victoria and the now Queen  
Wilhelmina—Queen Elizabeth  
was no slouch. They can all  
play chess and not euchre which  
is more than some men mon-  
archs can boast.

C. M. Davis, Chas. Hicks, P. H.  
Martin and Gale Shane were  
road work visitors during the  
week.

Most all of us will salute the  
colors at the Black School house  
celebration July 4 where Bobby  
Black (Canadian) always helps  
the eagle scream.
