OUR FINANCIAL STRENGTH

Two billion dollars is a tremendous sum of money. Yet the American people have loaned their Government that much and have barely touched their re-sources. The money was raised so easily it only seemed to show tremendous financial strength of the country.

It is not one-tenth of our bank deposits. It is less than one-eighth of our bank loans for one year. It was less than one-half of our national savings for 1916 and only five percent of our national income for that year according to estimates.

Not only is this first Liberty Loan Bond issue of two billion dollars much larger than the initial loans of any of the other nations engaged in the war but it was raised in much less time with much less effort and was subscribed to by a vastly greater number of individuals; this too when danger was far from us and the nation in a calm frame

The coming second issue of Liberty Loan Bonds, with the great mass of the people of the country much better educated as to Government bond issues and Government finances in general. it is reasonable to suppose, will be disposed of with even greater success than the initial issue.

The over-subscription to the initial issue of over a billion dollars augurs well for the success of the next loan. There are several million more investors in Government bonds in America than there were a month ago. Then there were some three hundred thousand holders of United States bonds; now there are over four million. And the thrill of the thought of our soldiers in France will rally the people to the nation's call.

BE CANNY

Get that canning impulse. Make your hoe this summer keep your can opener busy next

Get ready for canning season now. Regrets are the only things ever canned in the jars you forgot to order. Can nothing that can be kept

without canning. Dry such vegetables as corn, string beans, navy beans, mature Lima beans, okra, etc.

canned evidence on the dinner table.

Concentrate products, especially soup mixtures so that each container will hold as much canned food and as little water as

Really there is nothing to canning fruit and vegetables except care, cleanliness, fresh products, jars, and heat.

Michigan Lady Suffered Such Pains In Back and Head, But Says Cardul Stopped These

Bad Spells.

Palmyra, Mich.-Mrs. Chas. T. Fuller, of this place, writes: "In 1911 I got run-down, and I suffered great pain...with both dull and sharp shooting pains...also back and head I was weak and could only drag around, and should have been in bed for I really wasn't able to be up. At times I would have spells that would be so bad I'd have to go to bed, and

suffered intensely...
I decided to try Cardui, and saw s great improvement in less than a month's time. I used 7 or 8 bottles and was stronger...I got so much better that my strength returned and my work was easy for me. Cardui did me a world of good. It built me up in health and strength. I haven't had one of those had strength and strength that one of these had strength and strength. of those bad spells since. I haven't had to take any more medicine since or have any doctors either and have been able to do my work right along ...I recommend it to other women highly as the best medicine I know women who suffer from female trouble.

If you suffer from female troubles, follow this advice. Got a bottle of Cardul today and give it a thorough trial. It should help you, as it has helped theurands of other women in the past 40 years. At all druggists
