## PROF. F. B. FITTS

### LECTURES FOR GRANGE

Prof. E. B. Fitts of O. A. C. was in Toledo last Friday evening and Saturday giving a course of lectures to the dairy farmers of this vicinity. The lectures were arranged by the local grange. Friday evening Prof. Fitts chose as his subject, "The marketing of live stock," and he handled it in a very able and interesting manner. After the lecture everybody went down stairs and enjoyed an old fashioned dance.

Saturday Prof. Fitts lectured on the feeding of dairy cows for milk production. A big basket dinner was enjoyed at noon, to which all did ample justice. These lectures should prove of great value to the farmers, and will undoubtedly tend to increase the revenue received from many of our Lincoln county farms.

Frank Nye left for Seattle, last Saturday morning for a rest up after his long and strenuous attention to business at Atree's sawmill.

For the first time the passenger train over the O. & P., on Wednesday last, passed over the line from this city to Albany, and the heavy train passed over it without jar or stop, returning, reached this city the same evening on time.

Mesdames Ann McMillen and Roe Elder started for their home in New York in the front of the week. The Misses Graham of Toledo, were passengers on the same train for Ohio.

We are indebted to Mrs. Blower for some nice fat ducks, left at our door by that little gentleman, Tommy Blower.

The Yaquina City sailed for San Francisco Monday with a full cargo and a lot of passengers. There was a much larger amount of freight offered than could be taken at one trip which indicates that the business of this port is growing gradually but surely.
