The gramophone concert at the old school house last Saturday night was quite well attended despite the bad weather.

Toledo wants a bank and there is no better place in Oregon for a man with a limited amount of capital to run a safe and conservative bank.

The creamery building has been remodeled into a hall and now presents a very neat appearance. A stage has been erected, a cloak room fitted up, and a good public hall is thus prepared. It will be dedicated with a dance a week from tomorrow night.

An athletic club was organized by the boys of this place last Wednesday night, and will meet Friday evenings, of each week in the new hall, formerly the creamery building. The boys expect to turn out a few Fitzsimmons' in the near future.

A pleasant surprise party was given Harry Fant, at Mr. and Mrs. Fant's home, near this place, last Friday night.

RESOLUTION

Whereas, the Angel of Death has again entered our order and summoned across the silent river, our brother Edwin Thompson, who gave up his life in the service of his country, and

Whereas, by his untimely death a gloom has been cast over our community, Toledo Lodge No. 108 I. O. O. F. has lost an efficient and worthy member, and every one who knew him a warm and devoted friend,

Therefore, be it resolved: That we in paying tribute to our beloved brother drape our charter for a period of thirty days; That we extend our sympathy to the bereaved brothers and sister in their loss and,

THE RED CROSS AT FISHER

From Fisher comes a report to the local Red Cross that shows that they are doing something worth while and of great importance to our boys and the country, that they have some real live workers down there. THE RED CROSS NURSES OF EUROPE ARE GIVING TOASTED CIGARETTES TO THE BOYS

To anyone who doesn't know of the wonderful advances that have been made in the preparation of smoking tobaccos in the last few years it may sound strange to speak of toasted cigarettes.

Strictly speaking, we should say cigarettes made of toasted tobacco; the smokers of this country will recognize it more readily by its trade name, "LUCKY STRIKE"—the toasted cigarette.

The American Tobacco Company are producing millions of these toasted cigarettes and these are being bought in enormous quantities through the various tobacco funds conducted by the newspapers of the country and forwarded through the Red Cross Society to the boys in France.

This new process of treating tobacco not only improves the flavor of the tobacco but it seals in this flavor and makes the cigarettes keep better.

The Red Cross nurse is always glad to have a cigarette for the wounded soldier, as, in most instances, that is the first thing asked for.
