RECEIVES ANOTHER ENGINE Last Friday's freight brought another hugh donkey engine for the Warren Spruce Co., making three in all that they have received. The engines have been unloaded at "Sprucetown," and will at once be put on sleds. The runners for these big sleds have been made out at the Miller Logging Camps, they were then hauled down on the train and floated to town, where they are being hauled out and assembled ready for use. The donkeys will be

taken out into the spruce belt as soon as they are ready to travel.
