

Lincoln County Leader.

VOLUME 26

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, APRIL 13th, 1918.

NUMBER 9

SILETZ

Camp 3 C that was located at Cedar Creek near the base of Euchre Mt. has been moved to camp 3 A near Wessel's on Depot Slough and will be used there in construction work on the railroad that is being built from Toledo to the spruce belt on the Siletz river, a distance of about 26 miles. The camp had just been established. It took a good deal of hard work to clear the ground for the tents. The men had just commenced the grading preparatory for the planking when the order came to move. Such is the uncertainty of military life. The wagon road is now planked from the Agency to within half a mile of Euchre Mt. gravel road. This makes a good automobile road from the Agency to Euchre Mt., a distance of seven miles. From Euchre Mt. to Mowerys, a distance of five miles the road is almost impassable yet the mail is conveyed over it three times a week by Louis Smith the veteran stage driver. This piece of road ought to be fixed before another winter. The reason the soldiers were taken from C the Government decided not to rive the spruce logs but have them sawed. This caused the change to be made. The demand for spruce for airplane construction is increasing right along and if the war doesn't cease this will be a great industry for Lincoln county. Camp 3 B stationed at the Agency will move to Camp A near the Kyniston place and will engage in construction work on the railroad. This camp has been comfortably quartered in a Government building at Siletz and we dislike to have the boys leave. It sounds like a military post to hear the reveille sounded every morning at 5 o'clock as the flag is raised and every evening at 6 as it is being taken down for the night. Lieutenant Porter and his soldier boys have made many friends while here and we all dislike to see them leave. They cheerfully took part in our entertainments and amusements and we will miss them. They are engaged in this work to help win the war. It may not be as dangerous to life as those in front on the battle line but it is just as important. The exposure of the boys was great during the bad weather, to be in the mud up to their knees laying plank on the road or up to their armpits in the cold mountain water rafting logs to the mill. The civilized world is astonished at the brutal and cruel military system that brought this war on. The German people themselves ought to see the awful slaughter that is made of the young men of Germany to gratify the ambition of the Kaiser and his associates. Germany herself ought to rise up in her might and put this power down. This iron military rule will not go in this age of the world. The people must have something to say as to who shall be their ruler. The wheels of civilization will not be turned back. The German with this idea in his head cannot succeed. The German rulers have proved themselves to be the most scientifically cruel people on earth. Already Germany is beginning to feel the strong arm of our Government as well as that of the Allies and they will feel it more and more to the end. Germany has by her conduct, lost the confidence and respect of all decent people. I believe it would be just and right and a warning to others and also as an example to the world, when this war is over and when the Prussian power and autocracy is broken up to take the Kaiser and his associates and stand them up against a stone wall on Belgian soil and have them shot to death by a platoon of Belgian soldiers as a warning to others that a war waged for such a purpose will never be undertaken again by any monarch, king or czar (or kaiser) while the world stands!

ill with the grip. Miss Helen Phelps and Miss Leola Hewitt rode over to Mrs. C. Christensen's for a days visit Sunday. Mr. and Mrs. Lloyd Commons were in Ona Sunday. Peter Byrnes made a business call at the C. S. Ohmart home today.

W-S-S FIEGLES CREEK

Payne made a trip to Blodgett for a load of merchandise Saturday returning Sunday. H. W. Allison came in from the Marys River logging camp with a load of supplies for his family. Mrs. Sheltin and daughter, Helen have gone to the logging camp where Mr. Sheltin is working. B. F. Grant put in three days collecting money for the Armenian relief fund. R. L. Hathaway, Huron Briggs and Clifford McDonald spent several days working on the phone line last week. The Red Cross workers met with Mrs. I. R. Payne Wednesday of this week.

ONA

Mrs. C. S. Ohmart and little son, Waldo, who went to Newport last Friday, returned home Monday. Little Waldo was quite ill when he left but after a few days with a doctor he is doing nicely and is quite himself again now. Horace Wood and Clarence Root have gone to Elk City to work in the sawmill there. Mrs. Faye Wolfersperger left today for a week's visit with her brother Lloyd Commons at Oysterville. J. R. Covert went to Yaquina Wednesday. Mr. and Mrs. John Hanlon took dinner at the L. L. Parks home last Friday. Mr. Hanlon helped shear Mr. Parks' goats. Mrs. J. R. Covert is reported quite

WEST YAQUINA

Mr. Brewer, the mill man, made a business trip to Portland Thursday of last week and returned Tuesday evening. John Covert was in from Ona Wednesday. Miss Jennie Hassman passed thru here early Monday morning. George Ryan and sister, Mrs. Barnes, passed through here Tuesday. Leslie Willis, who has been visiting home for a while departed last week for Dallas and was accompanied by his sister, Ellen. The cold storage building is nearly finished in Yaquina. Some good pushers there. The mill here now is sawing lumber for the South Beach Jetty. Mrs. W. L. Hunt made a trip to Newport last week. John Bartow and family moved back to their former home here Sunday.

BAYVIEW

Dan Hendrickson is helping Mr. Olson of Linville with his plowing a few days this week. Mrs. H. Simonson left for the Valley last Monday. She is going to visit her daughter Mrs. H. Piegman.

GLEN

Several friends and neighbors spent a pleasant evening at the home of J. W. Davenport, on the sixth in honor of Mr. Davenport's 45th birthday anniversary. Mrs. Alta, Miss Reva and Mrs. H. W. Allison visited the C. W. Brown family Thursday. The school enjoyed a visit from County School Superintendent Goin Tuesday. Mrs. Helen Daniels visited the Davenport family Sunday. Geo. Henshaw one of the old time residents of this place went through with the Watkins wagon last week. Elmer Watkins has been repairing the road between here and Harlan this week. J. F. Grant and Smith Allison trailed one of the Harlan bears through to our neighborhood Thursday. Miss Edith Davenport went to Toledo Saturday to stay for awhile with her brother John's family.

W-S-S EDDYVILLE

The Eddyville Dramatic Club presented a two-act comedy entitled "Mr. Bob" on April 6th. The proceeds of \$18.15 went to the Red Cross. The following was the cast of characters: Mr. Brown (who came down), Richard Girdler; Miss Rebecca Luke, who has cats on the brain, Miss Susie Barton; Phillip Royson, her nephew, Earl Welton; Katherine Rogers, her niece, Mrs. L. L. McBride; Marion (Bob) Bryant who is such a weak specimen of a man, Helen Sparks; Patty, a stage-struck maid, Pearl Barton; Jenkins a butler who objects, L. L. McBride. Mrs. G. Girdler as manager gave invaluable help to the cast during rehearsals and on the evening of production. Misses Jean Sparks and Eleanor Girdler entertained between acts with a song, "Good-bye Broadway Hello France", responding to an encore with a ditty describing what our boys will do to the Kaiser. The Red Cross meets regularly each Wednesday at the Hall. Since finishing the work assigned the members have been working on bandages. Mr. and Mrs. Glynn Aldrich of Portland have been visiting their parents the past two weeks. Mr. Al-

YAQUINA BAY R. R. & LUMBER COMPANY

The Thorsen-Hendrickson Lumber Co. is no more. It is now the Yaquina Bay Railroad & Lumber Co., with J. O. Story, of Tacoma, as Vice President and General Manager. The new company expects to begin operating two shifts about next Monday. As soon as the mill finishes cutting the million and a half feet of fir logs that they have in the boom, they will then cut spruce exclusively. The spruce will all be cut from selected logs and will be for the Government. The Yaquina Bay Railroad & Lumber Co. contemplate the erection of a huge band sawmill as soon as arrangements can be made for same but have not yet decided whether it will be located here or at Yaquina. This new mill will also saw spruce exclusively, and will make a big payroll here, while helping to "can the Kaiser." The local mill has shipped two cars of airplane stock this week and are loading a third car.

AL WAUGH INSTALLS FINE NEW FOUNTAIN

Al Waugh received a fine new soft drinks fountain Monday evening, and Arthur Nye has been busy setting it up for him this week. It is what is known as a "Walrus Fountain" and it is an up-to-date piece of furniture, which will greatly facilitate the handling of ice cream and soft drinks.

LOYAL LEGION DANCE PROVES BIG SUCCESS

The dance given by the local order of the Loyal Legion of Loggers and Lumbermen at the I. O. O. F. Hall last Saturday evening, proved to be one of the biggest and best dances ever held in Toledo. The music by the Corvallis orchestra was fine, and the huge crowd certainly enjoyed themselves. Quite a number from Elk City, Newport and Siletz were in attendance. The net sum of \$107 was taken in, and after all expenses had been paid the sum of \$46.05 was turned over to the local Red Cross.

W-S-S COUNTY AGENT AT WALDPOR

County Agricultural Agent A. A. Asbahr went to Waldport last Friday to meet the farmers of that section. He addressed an audience at that place Saturday, outlining the work, etc., etc. Mr. Asbahr is rapidly becoming acquainted with the people of the county, and we believe, will accomplish much good here.

W-S-S SILETZ PUBLIC SCHOOL NOTES

J. S. Goin is back again teaching, after an absence of a week. Mary Henry and Alma Ojala returned to school. They have been sick with the Liberty measles. Gall Slocum is sick this week. Mr. Hartman and Mr. Hurt visited the school Tuesday. Miss Mary Gibson took charge of Miss Barzees room Tuesday.

COMING! COMING! MARY PICKFORD

Mary Pickford in Rebecca of Sunnybrook Farm, will be shown at the Dime Theatre Saturday night only. Popular prices, 20c. and 25c. Complete change of program Sunday evening. Rebecca of Sunnybrook Farm, replete with native wit of the rural districts, and the wholesome charm of untrammeled American girlhood.

MACHINERY ARRIVES FOR CHESLEY MILL

The boiler and stack, set works, and other machinery for the new mill of the Chesley Lumber Co., arrived Wednesday evening, and Mr. Chesley and crew are busy installing same. They expect to have this mill ready to start sawing by the first of May. The mill will have a capacity of twenty-five thousand feet per day, and will cut mostly ties.

CAR OF FORDS ARRIVE

The Peterson Hardware Co., received a carload of new Fords on Monday evening's freight. There were six cars in the shipment and four of these are sold. It is thought that quite a number of cars will be purchased by the people of this section this Summer.

ANOTHER DRAFT TAKES TWO MORE

Still another special draft call, the third in a little more than one month, has been made by the War Department. Under this third call, Oregon is to furnish 251 men for service in the National Army, in addition to the 369 called out by the order of March 11, who have already reported to Camp Lewis; and the 923 who are to report to Camp Lewis in the five-day period beginning April 26. The 251 men to be taken in the new special call are ordered to report to Fort McDowell, Calif., in the five-day period beginning May 1. As this is an artillery training post, the supposition is that these men are to be put into the artillery, though no official announcement has been made to that effect. Lincoln County will be required to furnish two men as its quota of this draft. And those to go will probably be Henry Campbell and Erling Brauti, both of Toledo.

BUILDING RAILROAD CAMP NEAR DUNDON BRIDGE

Geo. McCaulou and crew have been busy the past week erecting cook and bunk houses, near the Dundon bridge, for the use of the railroad workers. Probably from fifty to a hundred men will be quartered there, and will work on the middle section of the railroad construction. Another crew is working from this end, and still another crew is working from the other end. It is thought this road will be completed and operating in about a month.

W-S-S BARGE JULIA HERE FOR REPAIRS

The Barge Julia, that is used during the Summer months for carrying passengers between Yaquina and Newport, is here for repairs, and will be pulled out on the ways at the Andersen Boat Works and be given a thorough overhauling and painting. The Andersen Boat Works has just completed the repairs to the Newport.

W-S-S RED CROSS RECEIVES DONATION

Mrs. Rosemary Schenck, secretary of the Red Cross in this county, informs us that the Red Cross treasury was recently enriched by a donation from the L. L. L. No. 78, in the sum of \$46.05. This being the net proceeds from their dance given last Saturday evening. This money can be put to good use by the Red Cross and is certainly appreciated.

W-S-S BIG DANCE TOMORROW NIGHT

Don't forget the big dance at the I. O. O. F. Hall tomorrow evening with music by the Newport orchestra. Dance starts at 9 o'clock prompt, and will end about 1. Dance tickets 75c. Good music and a good time for all.

THE USE OF WHEAT FLOUR SUBSTITUTES (By the County Agent)

There seems to be a great deal of trouble within many households, in the matter of the use of the great quantity and number of substitutes that must be purchased with each sack of wheat flour. The School of Home Economics at the Oregon Agricultural College, has issued a bulletin giving advice and receipts for the making of many kinds of Liberty Breads, Cakes and Pastry. Directions are given for making potato, corn meal, rice, shorts, crackling, hominy, rolled oats, cornmeal, corn, oatmeal and barley bread. Receipts for making various kinds of muffins biscuits, and all kinds of war cake. Doubtless many people could find relief, or at least valuable suggestions by sending to the O. A. C., Corvallis, Oregon, for Extension Bulletin 289. It will be sent free of charge.

RESOLUTION

Be it resolved by Toledo Grange No. 425 in regular session this 13th day of April 1918 that we unanimously ask that the County Court of Lincoln County accept the favorable report of the viewers appointed to view the road and bridge called for in the petition of J. L. Thomas, et al, and that they immediately proceed with its construction. I. F. Hizer, Master, (Seal) J. L. Thomas, Sec.

ORTON NEIGHBORHOOD "GOES OVER THE TOP"

NOTICE

A meeting of all goat raisers of Lincoln County will be held in the Grange Hall at Eddyville on Tuesday April 23, at 1:30 P. M. for the purpose of discussing plans for the organization of a permanent mohair pool thru which this year's product as well as that of future years can be marketed concertedly. It is important that every grower who possibly can, to attend. This is a busy time of the year, but the formation of a permanent and effective organization will in a couple of years pay many times for the day spent at this meeting. A. A. Asbahr, County Agricultural Agent.

BOY WORKERS WANTED

Oregon's job in the National drive to recruit boys for farm labor which opens on April 15th, is to enroll at least 9500 boys for work on Oregon's Farms, Fruit ranches and Dairies. It is a big job and is being handled in a big way. Considering the activities that have been set in motion to promote the work, it will be surprising if the total number of boys enrolled does not greatly exceed the allotment fixed as Oregon's quota. Governor Withycombe and the Mayors of all the large cities of the State have issued proclamations appealing to the boys to do their "Bit" in the Land Army. Workers will be placed on farms through the office of the Farm Help Specialist of the Department of Agriculture, and O. A. C. who is the Federal State Director of the Reserve.

A LETTER

From Oregon Headquarters of the American Committee for Armenian and Syrian Relief, Portland, Oregon. April 15, 1918. Mr. Ira Wade, County Chairman, Armenian Relief Committee, Toledo, Oregon. Dear Mr. Wade:

Please accept our thanks for your check for \$553.63 which will be immediately forwarded to New York for Armenian Relief. The size of this check and your confidence that you will be able to send us an additional \$300 indicates to us that you have had all over Lincoln County, men and women who, at the sacrifice of their home and business interests, have become the spokesmen of the starving children of Asia Minor. The work could not have been done without their sacrifice, and I wish you might express to them in some way the gratitude of our State Committee for their splendid work.

It is a satisfaction beyond words to realize that we have already sent from the State more than \$120,000.00, and reports received from various county treasurers indicate that we shall soon be able to send an additional \$25,000.

May I ask that you will share this letter with the others who worked with you in this life-saving service? Will you also express to as many as possible of those who gave, our gratitude; and say to them that the fund will be kept open during the war, and remittances may be sent in any time and will be promptly forwarded. I am, very sincerely yours, Ben Selling, State Treasurer.
