If each family used 4 cups of flour less per week, the saving would be 22 million pounds or 112,244 barrels *every week*.

The greatest help housekeepers can give to win the war is to make this saving and *it can be done* by using this recipe in place of white flour bread.

### Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarhal deafness, and that is by a constitutional remedy. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. F. J. CHENEY & CO., Toledo, O.
