A REMINDER

For fear we forget the next Pomona Grange. This meeting will be held with Lincoln Grange June 26th, and will be a very interesting meeting. Our delegates to the State Grange will be there and report the doings of the State Grange. There will be a big dinner served by the ladies of the Ona community, and that will be worth while.

And there will be Mr. John L. Schuylerman, the great silo man from Portland, to tell us all about silos, how to fill them and what to fill them with to get the best results. A good program is being prepared. Open meeting in the afternoon. All are very cordially invited to attend. Evening session if necessary. Remember the date, June 26. S. T. Loudon, Master

TWENTY-ONE YEARS AGO

Items taken from the files of the Leader of that date.

Sheriff Landis made a business trip to Nortons station yesterday.

Jesse Reeder is learning telegraphy at this place under the assistance of Agent Gaither.

Jay Dunn will put up a substantial and commodious farm house on the Dunn ranch north of town. He has received a car load of lumber from the Santiam for that purpose.

Ben Jones has been wearing one of his eyes in mourning the past several days as a result of a contact with a baseball while practicing the great American game one day last week. He feared for a time that the result would be serious.

J. E. Wilson was down from Chitwood last Monday.

Rr. Darnell has gone to Siletz where he will temporarily fill the position of Agency physician, until such a time as the department sends another doctor to take the place of Dr. Merrivether, recently transferred from that place.

Comrad, J. S. Couklin of this place, went to Independence last week to attend the State Encampment held there.

The first kiln of brick at the Labor Exchange yard on the Enos place near here, was fired last Monday morning and is now burning quite nicely. The kiln contains 50,000 brick, being a small kiln, and is something of an experiment. The kiln will be properly burned by the middle of next week, and then it can be seen what the product is.

RANDOM SHOTS

Mr. Hoover is right. He says that there will be plenty of wheat for all of us, if we dont eat it.

Honor to our marines! Devil Dogs, as the bosches call them, are well named as the Germans are finding out.

Did you ever stop to think that these German victories had to be won over again and that Germany plays the losing game?

Some of the people who are worrying about what will happen when peace comes, should be putting their energies into how to end the war.
