G. A. R. VETERANS TO BE AT PORTLAND

Great interest is being manifested throughout the Northwest in the National Encampment of the Grand Army of the Republic which is to be held in Portland, Oregon, August 19 to 24. It will be the first Encampment ever held in the Pacific Northwest and undoubtedly the last time the old soldiers of 1861-65 will ever come to the Pacific Coast. Portland expects thousands of people from Washington, Idaho and Oregon to be present to welcome the veterans and to do them homage. They are the sires and grandfathers of the boys of today who are fighting in France for the same eternal principles.

Members of the Grand Army, the Women's Relief Corps, Ladies of the G. A. R., Sons and Daughters of Veterans and their families, can purchase tickets at one cent per mile by securing a certificate from the Commander of the nearest G. A. R. Post.

Portland will entertain the Grand Army in magnificent style. The great parade is to be held Tuesday, August 20th.

AMERICAN RED CROSS DIRECTIONS.

MAN'S MEDIUM SIZED SOCK. MATERIALS—1½ hanks of yarn (¾ lb.); 4 needles, No. 1

Set up 60 stitches, 20 on each of three needles. Knit 2 purl 2 for 4½ inches. Then knit 4 plain stitches, knit 2 together; repeat this until the round is completed. There are now 50 stitches on the needles. Knit 50 rows plain, until leg measures 11 inches. (6½ inches of plain knitting.) Take half the number of stitches (25) on first needle for the heel (leaving 12 and 13 stitches on the second and third needles for the instep), and on the 25 stitches knit 1 row; purl 1 row, alternately for 26 times (or 3 inches), always slipping the first stitch. Begin to turn heel on the wrong side, slip 1, purl 13, purl 2 together, purl 1.

Turn work over, slip 1, knit 4, slip 1, knit 1 and pass slipped stitch over, knit 1. Turn, slip 1, purl 5, purl 2 together, purl 1. Turn, slip 1, knit 6, slip 1 knit 1, and pass it over slipped stitch, knit 1. Continue working toward the sides of the heel in this manner, leaving 1 more stitch between decreases on every row until all the stitches are worked in. There should then be 15 stitches on the needle. Pick up 13 stitches on side of heel; now knit the 25 stitches on 2nd and 3rd needle onto 1st needle, which becomes your 2nd needle; with your 3rd needle pick up the 13 stitches on other side of heel, and knit 7 stitches off your 1st needle, so that you will now have 21 stitches on the 1st needle, 25 stitches on the 2nd needle, and 20 stitches on the 3rd needle. 1st needle (a) knit to within three stitches of end, knit 2 together, knit 1. 2nd needle (b) knit plain. 3rd needle (c) knit 1, slip 1, knit 1, pass slipped stitch over, knit plain to end of needle. Knit around plain (d).

Repeat a, b, c, and d until you have 13 stitches on 1st needle, 25 stitches on 2nd needle, 12 stitches on 3rd needle. Knit plain for 4½ inches. 1st needle (e) knit 10 stitches, knit 2 together, knit 1. 2nd needle (f) knit 1, slip 1, knit 1, pass slipped stitch over, knit 19 stitches. Knit 2 together, knit 1. 3rd needle (g) knit 1, slip 1, knit 1, pass slipped stitch over, knit 9 stitches, knit two rows plain (h).

Repeat e, f, g, and h 5 times, then narrow every other row until you have 5 stitches on your 1st needle, 9 stitches on your 2nd needle and 4 stitches on your 3rd needle. Knit the 5 stitches on your 1st needle onto your 3rd. Your work is now all on 2 needles opposite each other. Break off yarn leaving 12 inch end. Thread into worsted needle and proceed to weave the front and back together as follows:

Pass worsted needle through 1st stitch (*) of front knitting needle as if knitting and slip stitch off—pass through 2nd stitch as if purling—leave stitch on, pull thread through 1st stitch of back needle as if purling, slip stitch off, put thread through 2nd stitch of back needle as if knitting, leave stitch on. Repeat from * until all the stitches are off needle.

Sock, when finished, should measure: Foot, from tip of heel to tip of toe, 11 inches. Leg, from tip of heel to tip of leg, 14 inches.

THE WAR, THE FARM AND THE FARMER

By Herbert Quick
Member Federal Farm Loan Board

What the Imperial German government offered the farmers of America in its ruthless submarine warfare was not the loss of profits, but slavery to the sabre-rattler of Potsdam. He purposed to make us slaves by murdering the people who took our products to market. By all the laws of civilized warfare, commerce under a neutral flag was free from any hindrance except the legal interference justified by war. But the Germans not only stopped merchant vessels, they sank them. Sank them without warning, without trace—the most devilish thing war has seen since the savages scalped our ancestors and threw screaming babies into the flames of burning cabins.

The German plan of sinking merchant vessels without trace is based on the murderer's maxim that "dead men tell no tales." It was executed by the massacre of men, women and children, who, having committed themselves to small boats in the open sea after their ships were torpedoed, were mercilessly raked with gunfire, and exterminated to the last unprotected, unprotected soul! These are the murders that stain the hands of the Kaiser, his advisers and minions. These outrages were perpetrated on neutral vessels when all that civilized warfare gave the Germans a right to do even with the merchant vessel under a hostile flag, was to stop it at sea and make it a prize of war.

To kill the civilians on board, even under a hostile flag, was nothing but unmitigated murder. And these murders were committed in order that we might be enslaved! Having the right to take the sea with his fleet, but being afraid to do so for fear he might lose it, and being unable by fair means to stop the selling of our products to his enemies, the Kaiser declared that he would do it by the foulest methods ever resorted to in war. He declared the sea closed, and that he would keep it closed, not by war, but by murder.

To have submitted would have cost us dear in prosperity but that would have been the least of our loss. We should have had to grovel before the German government. We should have had to accept murder as a thing against which we could not defend ourselves.

We should have allowed this new horror to become a part of all future wars, and have been responsible for its incorporation into international law.

We should have proved that because the fire which burns up our farms' usefulness is beyond the horizon, we would submit to the kindling of it.

We might have accepted the seventy cents for wheat and the six cents for cotton, but we could not have done it merely because we were commanded to do it. By so doing we should have accepted degradation. We should have begun, after winning our freedom in our own revolution and establishing a union on the foundation of liberty in the blood and tears of our war between the states, to knuckle under to autocracy! We should have basely yielded up our birthright as Americans.

Such a thought is intolerable. Peace at such a price would not be peace, but only a preparation for a future revolt against subjugation. Better any sort of war; better war forever, than that.

Whenever the time comes for new sacrifices, let us remember that we fight, not for our liberties tomorrow, or next year or twenty years from now, but for our freedom today. Not for the right to live in the future, but for the right to make a living this year.

German oppression had begun to pinch us before we entered the war. If we had not declared war, but had accepted the conditions of life ordered for us by the Kaiser, we should today be a poverty-stricken people. Our factories would be shut down, our workmen unemployed, our people starving, our farmers ruined by the poverty of those for whose consumption they grow their crops. There is loss and sacrifice in the war, but there would have been far more of loss and sacrifice in accepting the German terms. We should have lost more in money than we have spent in the war, but we should have lost something far more precious. We should have lost our souls.
