IMPORTANT NOTICE
 Beginning September 15th, the government requests all weekly newspapers to reduce the amount of paper used 15 per cent. In order to meet this requirement, it will be necessary to discontinue every subscription to the Leader not paid in advance. As most of our list is now paid in advance we doubt very much if this will reduce our amount of paper as requested, but we will go over the list as fast as possible in order to conform to the ruling. It will assist us greatly, if our readers who desire to continue on the list will see that their paper is paid in advance.
