### WRECKED HOUSE HIDES BIG FRENCH GUN

From the ruins of one of their own shell smashed homes, the  
French hourly train the guns that scatter death in billets and col-  
umns of marching troops behind the Hun lines.

Fourth Liberty Bonds are the best insurance that American homes  
will not thus suffer.

### RETREATING KULTUR LEAVES ITS MARK

This shows one of the thousands of French villages which have  
been smashed to dusty brick heaps by opposing artillery during  
German capture and occupation. Too often French gunners are under  
the necessity of sending shells into the homes where they have  
spent happy years with their wives and babies.

Your subscription to the Fourth Liberty Loan will help move  
the ruin back into Germany.
