OREGON FOOD NEWS

For the purpose of bringing before the people in a forcible manner the need for saving food and sharing it with the Allies and the liberated nations, the United States Food Administration named December 1-7 as a nation wide "Conservation Week for World Relief" and a stirring program of education and enthusiasm will be carried out simultaneously throughout the country.

On Sunday, December 1st, a personal message from Herbert Hoover will be read from all pulpits in churches of all denominations. Wednesday, Dec. 4th, will be "Women's Organization Day" and a special Hoover message will be the central feature of a patriotic program in all women's clubs of the country, the meetings being open to all women whether members or not. On Friday, December 6th, special patriotic exercises will be held in all the public schools of the United States, and a special message from Mr. Hoover to the boys and girls of America will be the central feature of the program. Throughout the entire week meetings and rallies will be held, and efforts of war workers will be centered upon the task of waking the public to an alert realization of the after-war need for greater conservation than ever.

Preliminary to the inauguration of "Conservation Week", meetings of all county food administrators, together with a leading club woman from each county, will be held in each state, and this gathering will be addressed by a member who will bring a personal message direct from Mr. Hoover. Instructions for the campaign and material for the work will be given out at these gatherings. The meeting of Oregon's county food administrators and representative club-women has been called by State Food Administrator W. B. Ayer for Tuesday, November 26.

The original pledge made by the Food Administration on behalf of the people of the United States was 17 1/2 million tons of food to be shipped overseas by July 1, 1919, an amount greater by 50 per cent than last year. Now that France and Belgium are liberated and millions of people in South Central Europe are clamoring for food, the United

States is undertaking to increase its exports from 17 1/2 million tons to 20 million tons.

Toledo Camp Personels

If the S. P. D. is short of Second Lieut's they need but send a few gold bars down this way. We have plenty of brains and serge uniforms in Camp. Who pays the tailor bills? Dogs are no respecters of persons, as was demonstrated last Sunday during Chaplain Rosa's speech. A couple of "Sprucehounds" started a small war of their own while the Chaplain was preaching "peace on earth, good will toward men."

Private Apollo says that while he doesn't wish anybody any harm, he does wish that driver's team had run away with him last Sunday as he drove the heavy wagon across the street in the midst of Apollo's solo.

Pvt. W. W. Wilson of the Headquarters staff of Remington Artists was so well pleased with the treatment accorded him while a patient at the Camp Hospital, South Beach, that he returned to the hospital after a two day stay in Camp. We hope W. W. will soon be out and about again and that he will come back this time to stay a few days at least.

Pvt. Bowman of the 191st is now a straw boss, whatever that is. He says that his back is lame from picking up saws.

The Orpheum Circuit has tendered a contract for 40 weeks over the circuit to Sgt. Sidney Balcom and Ptes. Moxon and Williams. The act would be known as "TALL MEN WELL MET".

A vote of thanks is in order for who ever ordered the dredge Oregon from the slough around to the river proper. Another two weeks and the Camp would have been the first and only floating Military Camp in the U. S.

The first of a series of Farewell dances was to have been held last week. Looks like Toledo refuses to say "Farewell." Out out the "Fare" and all is "Well."

Hip boots were much in demand last week. Why not start a rubber plantation on the Toledo flats. Boots are going up, both in price and length.

Private Stribling says that he will speak to the American Consul at Toledo in reference to having Oregon annexed to the United States before it is too late.

Pvt. Fromm our Jazz dispenser is constantly on the lookout for a telegram from Denver. Will it be a boy or girl? That's the big question.

Now that Regimental Review is impossible without the aid of boats, why not have a little boat drill to pass the time away?

The Fellow who argued with Jim the other night

ran up against the shock of his life.

Jim knows tobacco. And before he got through, Jim made the fellow admit that Real Gravely tastes better and gives a satisfaction you can't get out of ordinary tobacco. A

small chew of Gravely lasts so much longer that it costs nothing extra to chew this class of tobacco.

It goes further—that's why you can get the good taste of this class of tobacco without extra cost.
