LINCOLN COUNTY BOY HOME

Dallas, Or.: Special to the Leader.) Leslie E Willis, who was drafted from Lincoln County last July, returned to his home here Saturday evening, having received his discharge from the army at Camp Lewis, Washington

Leslie Willis entrained at Yaquina, July 5th, for Fort McDowell, Calif. He was there for a few days, then transferred to Fort McArthur, farther south. After about two months training there he was sent east to Camp Eustis, Virginia, from where he was ordered to go across the pond. Just before leaving he was taken suddenly ill with the Spanish Influenza and pneumonia. He was in the hospital for over a month and for four days was not expected to live. Battery F., which he was in, went across in September.

After leaving the hospital Leslie was putin another company and remained at Camp Eustis untill the eighteenth of December on which date he came to Camp Lewis, arriving there the day before Christmas. Immediately on the company's arrival they were put under quarantine for measles and other diseases which were in camp. Leslie took the measles so again was put in the hospital, where he stayed for about two weeks. He was then put in the 48th Co., 12 Battalion, 166 Depot Brigade, which he was in when he received his discharge on January 21st. He came via Portland and made a stop over night with his aunt, Mrs. P. M. Pio, and returned home Feb. 1 here in Dallas, where his folks moved from Yaquina during his absence.

George Kenny, a former Lincoln County boy accompanied Leslie from Camp Eustis to Camp Lewis where he received his discharge a few days before Lestlie. He enlisted in Benton County and was in the service eighteen months.

Saurkrout, Germany,
Jan., 3rd 1919

Dear Mother and Dad:

Just a line tonight to let you know I'm getting plenty to eat, drink and do.

We are on the Mosel river in a town called Ediger. The town don't amount to much but the people are Jake.

I, my two helpers and the Company black-smith are in the same house and one could not ask for a nicer place. Tonight one of the boys is sick, and the old lady is stuffing everything from hot milk to I don't know what into him. Guess I'll get sick.

We have had one or two issues of chocolate and we always saved some for the kids. The people will do anything for it as they couldn't get any before the Americans came.

All of the country we traveled thru after we left Alsace-Loraine has been very hilly. For the first hundred and fifty miles they farmed small patches, raising grain and roots, but here all they raise is grapes.

All of the people have a great supply of white wine which is good but not sweetened as sugar is very scarce.

You asked what Division I belonged to. It is the 4th. We have been 126 days on the front which is 32 more than any other Division has done. During that time we were in some hot places but the hottest was the Velse riper. My Co. threw in bridges for the infantry to cross, under direct fire of machine guns and artillery. I was fornuate enough to go thru it all and never get anything more serious than a gass burn on my right foot and wrist.

When we first came to the Mosel river we began to see a castle now and then. Some of them are beauties and all are built on the highest, most inaccessable hill in the vicinity.

I am sending you a picture of one I passed a few days ago. It is placed on a smaller hill than usual. The hill is terraced and grows grapes.

New Years day we had two small deer for dinner some of the boys went out and got. There are quite a few here. They are smaller than the black tail.

I have just about spilt all that is possible for this time, so will ring off.

Hope to be home soon. Lots of love,

Wgnr. E. E. Smith.
