Copyright 1918 by
R. J. Reynolds Tobacco Co.TALK about smokes, Prince Albert
is geared to a joyhandout standard
that just lavishes smokehappiness on

pipe or cigarette makin's smokes you'll find aplenty
in P. A. That's because P. A. has the quality!You can't any more make Prince Albert bite your
tongue or parch your throat than you can make a horse
drink when he's off the water! Bite and parch are cut
out by our exclusive patented process!You just lay back like a regular fellow and puff to beat
the cards and wonder why in samhill you didn't nail a
section in the P. A. smokepasture longer than you care
to remember back!Buy Prince Albert everywhere tobacco is sold. Toppie red bags,
tidy red tins, handsome pound and half pound tin humidors—and
—that clever, practical pound crystal glass humidior with sponge
moistener top that keeps the tobacco in each perfect condition.
