PULL TOGETHER

The Yaquina Bay News in its last issue gave a most disgusting exhibition of its "dog in the manger" attitude. We are sorry to see this kind of a spirit shown. We must all pull together if we wish to get recognition from the State Highway Commission. Newport and Toledo must pull shoulder to shoulder if we expect to get a paved road to the Valley.

We simply quoted a news article from the Oregonian with regard to the Corvallis-Toledo road, and we most assuredly want to see this road go through to Newport, one of the best Coast Resorts in Oregon. And it will go through to Newport if it is ever built as far as Toledo, even if the county has to complete it.

Why is it that what one man builds up, another will try to tear down? B. F. Jones is at Salem working tooth and nail to get recognition for this county in the road building program, and while he is laboring with might and main to get something started for the people of this county, the Yaquina Bay News with its petty jealousy is trying to start a squabble amongst these self same people. We are thankful that the people of this county are too broad minded to be misled by such dope as was peddled by the "News" last week.

WHY THAT LAME BACK

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Corvallis resident's example.

Mrs. O. W. McIntosh, 1604 Van Buren St., Corvallis, Or., says: "About nine years ago I was troubled a great deal with my kidneys. My back ached almost constantly and when I got down to do anything, I could hardly straighten up. My back felt weak and lame all the time. Doan's Kidney Pills soon relieved me of the dull, tired pain in my back. I took about three boxes in all and they strengthened my back and in every way I felt as strong as ever."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McIntosh had. Foster-McIlburn Co., Mfgs., Buffalo, N. Y.
