## REPUBLICAN LEADERS FOR NEXT CONGRESS

There was more or less upset to date in the Republican plans of reorganization for the new Congress. The selection of F. W. Mondell of Wyoming as floor leader after James R. Mann had been elected and resigned was one of the big surprises. Harold Knutson of Minnesota will be the party whip, while Senator Henry Cabot Lodge will be the chairman of the Foreign Relations Committee and Boise Penrose of Pennsylvania will be chairman of the Finance Committee.

## TO BE THE BRIDE OF SHE WILL MEET HER GENERAL PERSHING? DADDY IN PARIS

Rumor has it General Pershing will "go west" when he lands back in America from France. At least he will go west as far as Pasadena, Cal., where resides Miss Anette Patton. It is reported the two are to wed then.

Daddy's in France? Grandma's in France—so it is possible that baby Patricia Wallace will soon be seen on Paris boulevards. She is the granddaughter of Hugh Wallace, the new American ambassador to France. Her daddy is Captain Melville W. Wallace of the United States Army—and she has never yet seen him. Her mother was formerly Miss Ruth Patterson.

Hoy, you honorably discharged soldier or sailor! Do you want to know how to get the \$60 nest egg which Uncle Sam has promised you? Here's how one Yank got his bonus—as he told it to the camera, and it's all so easy and simple. Pictures from No. 1 to No. 6 tell the story. There is just one other precaution. As a

## PAIR OF EXTREMES IN WAISTCOAT AND HAT

A pair of extremes just had to come out of the joyous reaction of peace. The upper shows the limit in waistcoats—just like dad use to wear; this one a bright blue broche worn with a suit of black satin. Lower, is a fine mil-lin turban almost concealed under its great bow of black satin, but livened up with a rosette from orange ribbon.

## Keep Baby Well—

Feverish colds that distress the little ones, that cause difficult breathing, that irritate their sensitive little throats and give them troublesome disturbing coughs, are readily helped and soothed by **Foley's Honey and Tar**.

The wise mother gives it for croup, whooping cough, measles cough and bronchial coughs.

**Foley's Honey and Tar** is just as good for grown-ups as for children. It soothes the inflamed throat, relieves the cough, breaks up the phlegm, and relieves the chest. It is widely recommended. It contains no morphine, chloroform or other drug that you would not like to give to young children, delicate persons or elderly people. Do not accept a substitute.

"When our baby was 10 days old he took whooping cough in the worst form, and the paroxysms almost suffocated him. Our neighbor suggested Foley's Honey and Tar and that gave him almost immediate relief, for which we feel very grateful." Mrs. J. H. Lighttower, Odem, Texas.

"My baby was stricken with a severe cough and cold at one month old. I gave him 10 to 15 drops of Foley's Honey and Tar every three hours and it cured him in 10 days." Mrs. B. H. Garrett, School Hill, Va.
