SEES NO SHORTAGE OF FARM NITRATES

Even though the government has commandeered 42,000 tons of nitrates intended for the farmers of the United States, there will still be sufficient for all demands, by the time spring breaks—is the optimistic report of C. H. McDowell, director of the chemical division of the War Industrial Board.

PINKY DAININESS IN SUMMERY VOILES

Even summery daintiness cannot get away from a patriotic touch—and with war in the background some months when it will appear in the hot days to come. The Red, White and Blue—has been modified in this white voile—to a pink and sky blue flower design on a field of white and with a pale plain blue waist band of satin. It is all touched off by a hat with sloping brim—made from the same material—and one of the newest models seen in the parades at Palm Beach, Fla.

PRIZE BEEF NOW HOBNOBS WITH BANKERS

This is a literal "bull in a china shop." It is "Prince Hoover," grand champion steer of the National Beef Show, on a little calling tour. Prince Hoover is here seen visiting in the office of President Cyrus P. Brown of the First National Bank in St. Paul, Minn. Prince Hoover was purchased by this institution and donated to a war fund committee as a money-getter.

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? People around here recommend Doan's Kidney Pills. Could you ask for stronger proof of merit?

Mrs. J. Canoy, 431 E. Grant St., Lebanon, Ore., says: "I suffered severely with my back. It felt as though it was broken and I never had any thing cause me so much misery."

"I was laid up in bed for a week or two at a time and had to have someone turn me over. Sharp, shooting pains caught me across my kidneys and my kidneys were always sluggish and acted irregularly. My whole system was out of order during these spells and I felt weak and tired all the time. I used different medicines but got little relief. Finally I used Doan's Kidney Pills and they helped me from the first. After taking two boxes I felt like a different person."
