CHECKING THE
GOVERNMENT

Every piece of meat we sell,
in addition to the O. K. of the
U. S. inspector as to purity,
bears our own O. K. as to qual-
ity. Texture, grain and grades
of meat are trade technicalities,
but your butcher's knowledge of
them means much in determin-
ing his customer's satisfaction.

PRINCE ALBERT

the national joy smoke

NEVER was such right-handed-two-
fisted smokejoy as you puff out of a
jimmy pipe packed with Prince Albert!
That's because P. A. has the quality!

You can't fool your taste apparatus any more than you
can get five aces out of a family deck! So, when you hit
Prince Albert, coming and going, and get up half an hour
earlier just to start stoking your pipe or rolling cigarettes,
you know you've got the big prize on the end of your line!

Prince Albert's quality alone puts it in a class of its own,
but when you figure that P. A. is made by our exclusive
patented process that cuts out bite and parch—well—you
feel like getting a flock of dictionaries to find enough words
to express your happy days sentiments!

Topsy red bags, tidy red tins, handsome pound and half-pound tin
humidors—and that classy, practical pound crystal glass humidor with
sponge moistener top that keeps the tobacco in such perfect condition.
