PRINCE ALBERT
the national joy smoke

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smokethrottle wide open! Talk about smoke-sport! Quality makes Prince Albert so

appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years, all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokesappetite!

You buy Prince Albert everywhere tobacco is sold. They're red bags, tidy red tins, handsome pound and half pound tin tins, and that classy, practical pound crystal glass humidor with sponge motor for top that keeps the tobacco in each perfect condition.

Bronchial Coughs—

For quick relief from wearing bronchial coughs that "hang on" and weaken, for thick wheezy breathing, irritated throat and air passages, for sleep-disturbing night coughs, take **Foley's Honey and Tar.**

In it, you quickly get the curative influence of the pine tar and other healing ingredients, together with the mollifying and laxative effect of honey.

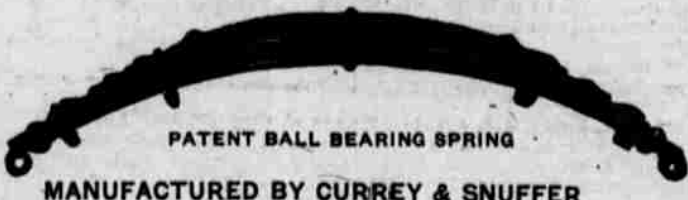

Foley's Honey and Tar is also good for croup, whooping cough, tickling throat and hoarseness. It does not contain morphine, chloroform or any other injurious drug. Do not accept a substitute.

"My wife contracted a severe cold which finally developed into bronchial trouble. She coughed almost continually. The remedies we tried gave only temporary relief. I happened to pick up one of Foley's Family Almanacs and as a result, purchased a bottle of Foley's Honey and Tar. She had not used half the bottle when her cough began to slack up, and she could rest so much better at night. She continued using it until she used 7 bottles, which effected a permanent cure." Yours respectfully, W. S. Bailey, Lancaster, Ky.
