A. C. Crawford, Local Agent  
Siletz, Oregon

Ford cars have become such a world utility that it would seem as if every family ought to have its Ford car. Runabout, Touring Car, Coupe, Sedan, (the two latter have enclosed bodies), and the Truck Chassis, have really become a part and parcel of human life. You want one because its service will be profitable for you. We solicit your order at once because, while production is limited, it will be first come, first supplied.
