Keep Fit

To be well and strong, to have energy and vigor—to keep fit—is the joy as well as the duty of every person.

If you want to keep fit, don't neglect the first sign of puffiness under eyes, floating specks, headache, pains in sides, swollen or stiff joints, rheumatic pains. Deranged kidneys fail to do their work properly, and as a result waste and poisonous matter is permitted to pollute the blood stream instead of being expelled from the system.

Foley Kidney Pills

help overworked, weak or deranged kidneys and bladder by their tonic, invigorating, healing action. They are made of the purest and best medicines procurable and are compounded in strict conformity with National and State pure food drug laws. They have helped thousands of men and women.

Col. F. P. Cobham, Erie, Pa., writes: "As a chemist I am not prone to the use of drugs, but I must say that I have been forced to yield in favor of Foley Kidney Pills which have done me so much good I cannot recommend them too highly. I thank you for the results derived."
