It is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy.

Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatic pains, backache, sore muscles, stiff or swollen joints, puffiness under eyes, floating specks, biliousness, bladder weakness, nervousness, or other symptoms of kidney trouble.

Foley Kidney Pills are effective in removing the cause of the trouble for they strengthen and invigorate weak or deranged kidneys and help them to normal functioning so that the blood stream is purified and the cause of disease removed.

F. M. Platte (Berkman), Sec'y, Switchman's Union, 518 Blaine St., Seattle, Wash., writes: "Two bottles of Foley Kidney Pills relieved all symptoms of my kidney and bladder trouble, stopping the backache and pains, correcting the kidney action, clearing secretions. I am also free from dizziness and floating specks before my eyes. Foley Kidney Pills cured me."

BLEND

FLOUR

ECONOMY and EFFICIENCY are points in favor of

Fisher's Blend Flour

By using FISHER'S BLEND, in preference to ordinary flour, the Day Lumber Company at Big Lake, Wash., effected a very substantial saving. More and larger loaves of better bread were obtained. "AND WE HAD NO WASTE" writes the Lumber Company's Baker, "ALL THE BREAD I MADE WAS EATEN BY THE MEN."

More loaves and no waste—Real Economy. If reasonable care is exercised in the baking, housewives will find FISHER'S BLEND the most economical flour that it is possible to buy. Manufactured in "America's Finest Flouring Mills" by
