"And remember it, too."

The better the quality of your chew, the more you'll enjoy it.

You'll get more out of your tobacco money, too—you'll save part of it for something else. A small chew of this quality tobacco tastes good—and it lasts and lasts.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

"WHY DID YOU LEAVE THE FARM, MY LAD?"

"Why did you leave the farm, my lad? Why did you bolt and leave your dad? Why did you beat it off to town And turn your poor old father down? Thinkers of platform, pulpit and press Are wallowing in deep distress. They seek to know the hidden cause Why farmer boys desert their pa's.

Well, stranger, since you've been so frank,

I'll roll aside the hazy bank; I left my dad, his farm, his plow, Because my calf became his cow, I left my dad, 'twas wrong of course, Because my colt became his horse. I left my dad to sow and reap Because my lamb became his sheep. I dropped the hog and stuck the fork, Because my pig became his pork. The gardner truck that I made grow, Was his to sell, but mine to hoe.

"It's not the smoke in the atmosphere, Nor the taste of life that brought me here.

Please tell the platform, pulpit, press, No fear of toll nor love of dress, Is driving off the farmer lads, It's just the methods of their dads." "FARMING'S FUN WITH A FORDSON"
