**EPISCOPALIANS NAME LEADERS FOR BIG DRIVE**

Nation-wide Campaign Organized in Eight Western States.

San Francisco (Special)—With surveys of church needs practically completed in the eight states comprising the western area for the forthcoming Protestant Episcopal campaign for christian education and church strengthening, members of the Episcopal clergy and the lay committees, in cooperation with the national headquarters for the drive in New York City, are preparing to perfect parish organizations that will insure the success of the Episcopal campaign during the coming months. For the purpose of the campaign the nation has been divided into four areas, the western area, including California, Washington, Oregon, Nevada, Arizona, Idaho, Utah and New Mexico. Committees have been appointed for the thirteen dioceses and missionary districts embraced in this area, each committee acting in direct contact with the national headquarters.

While the Episcopal campaign will seek to raise \$20,000,000 throughout the United States for the furtherance of church work—the Methodists recently raised \$169,000,000 within their own denomination for a similar purpose—the fundamentals in the forthcoming campaign are, "to bring the spiritual power of the church to bear upon the church's whole task," to quote the national director of the campaign, Dr. R. W. Patton, and "to secure and train an increased number of people, clerical and lay, for christian leadership."

The Episcopal campaign is in line with the campaigns conducted by the Methodist Church, the Presbyterian Church and the Baptist Church to bring about a quickening of christian responsibility for the great task of world reconstruction, both domestic and foreign, that has been left upon christian peoples everywhere as a heritage of the world war.

Upon the survey of the needs of each parish, which will be in the hands of the central office in New York by August first, the federal agencies of the church will be in position to unite on a single appeal for support. Based upon the survey the church will be in a position to "apply itself to the task of meeting these needs and to make on a given day an 'every member' canvass that all may be exhorted to gifts and service."

While each diocese and district in the western area is entrusted with the responsibility for its own campaign work, under the leadership of the resident bishop, assistance in organization work will be given by a committee of five named by the national executive committee. This committee for the western area is composed of Bishop George C. Huntington of Reno, Nev.; Bishop Herman Page, D. D., of Spokane, Wash.; Rev. George Davidson of Los Angeles; H. C. Wyckoff of Watsonville, Calif., and Mrs. A. L. McLeish of Berkeley, Calif.

As part of the campaign there will be held a series of regional conferences throughout the West which will be attended by national leaders in the Episcopal drive. The conferences are intended to educate the workers thoroughly to the campaign plan. They have proved successful in the East.

The regional conference to be held at San Francisco will be attended by delegates from the four dioceses and missionary districts of California and the states of Nevada and Arizona. There will be supplementary meetings in Sacramento, Fresno, Los Angeles, Reno, Nevada, and Phoenix, Arizona. Churches in the dioceses of Olympia, Spokane, Oregon and the District of Eastern Oregon will meet in Seattle with later conferences at Portland and Pendleton, Oregon, and Spokane, Washington.

**Biliousness**

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
