TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, OCTOBER 31st, 1919

NUMBER 36

SILETZ

Sunday, 28th, was Sunday school Rally Day at Siletz. Subject, "Youth and the New Day." The church was beautifully decorated with autumn leaves and ferns. The variegated color of the vine maple leaves predominating. The preparation of the program and the decorations of the room was done by Mrs. Walter Ross, Mrs. Bert Robinson and Mrs. Barzee. Twenty-three families were represented in the pageant and thirty-four persons took part in the program. David Calvert led in the old day which was going out and represented autocracy, hatred, revenge, brutality, malice, tyranny, ignorance, anarchy and Bolshevism, the very opposite of Democracy, rule by the people and the new day, led by Rose Gwynn, which represented love, friendship, truth, humanity, civilization and democracy. Rev. Walter Ross had charge of the singing, Miss Alice Chalcraft presiding at the piano. Where each performer did so well it is invidious to make comparisons. W. S. Hall represented the Church and Christ. It was well arranged and splendidly carried out. The seating capacity of the church was taxed to the limit.

U. C. Brock, Appraiser of the Federal Land Board from Spokane, Wash., arrived at Siletz Thursday evening and before Friday morning was appraising land that had been offered by farmers as security for Federal loans. He has been kept busy riding every day and expects to finish his inspections of these farms by Tuesday of next week. By invitation Mr. Brock took dinner at the Grange Hall Saturday. He expressed himself as being highly pleased with his visit and especially for the good dinner that was prepared. He enjoyed it immensely. He spoke cheering words of the Grange and the beautiful Siletz valley. Said the climatic conditions made it an ideal place for planting the Loganberry. This is the coming industry. The demand for loganberry juice, jam and jelly could not now be supplied and the demand will increase as the years go by.

Mr. John D. Rolwied and Mr. Louis Larson, of Shaunwon, Canada, are here on a visit at the home of Mr. Thompson, old time friends. These gentlemen are looking for land and are very pleased with Siletz. The farmland is increasing in value right along. The Federal Loan Agent values this farm land at \$150 per acre. Some of it has been sold at \$160 per acre and this same land could not be bought again for near that price.

Rev. Walter Ross, Bert Down and Joe Cason went to Euker Mt. to hunt deer and other big game. We have not learned what success these nimble hands have had, but if the deer are wise they will move away back in the big mountains and stay there until the danger is over.

Miss Renie C. Arnold, stenographer at the Agency, has resigned her position in the office and may engage in teaching. Miss Marjorie Ball has been selected to fill the place and has already entered upon the duties of the office.

Siletz, with the spirit of progress, went over the top in subscribing to the Roosevelt Memorial Fund. The quota for the county was \$100. Siletz raised \$24, or nearly one-fourth of the amount.

The birthday of Theodore Roosevelt was fittingly observed at the public school, Monday 27th. A fine program of patriotic songs, essays on the life of Roosevelt, short speeches and declamations by the younger pupils exemplifying the spirit and dash of the Rough Riders, and the energy, courage and patriotism of the great leader. The Indians as well as the whites subscribed to the fund. Dr. Carter delivered the address and Prof. Miller had charge of the program. Our folks, like Theodore Roosevelt, believe in one hundred per cent Americanism. Fifty-seven of the Siletz public school, including the teachers, subscribed to the fund. Thirty-three of the citizens of Siletz subscribed to the fund.

SOUTH BEACH

Mrs. Fanny Hazelhurst arrived in our burg Monday evening and will visit a few days with her mother and brother, Mrs. Julia and Emery Cox. Mrs. Hazelhurst lives at Woodburn, Oregon, with her son, Earl Taylor, an ex-soldier, who is a druggist at that place.

Mrs. Mills and daughters moved into what is known as the Nelson house, at

Pacific View, where they will stay for an indefinite time. They then expect to go to Seattle. They lived at Boise before coming here.

Mr. Dozier made a trip to Portland, returning a few days ago and reporting things are strikingly lively out there with so many strikes, etc.

Lee Doty is improving but not yet able to attend his business. He has had quite a spell of sickness.

Mr. Baker of Tacoma, Wash., visited South Beach last week accompanied by Lester Martin, of Newport.

Mrs. Curtis Cox returned to this place from the blackberry camp near Toledo, but expects to go back where her husband is employed, in a few days.

Miss Lucy Lynn is convalescing very nicely and her many friends hope to see her around before long.

Pretty cool the last few mornings the mercury standing at thirty three above, a little uncommon so early in the season.

The government has taken the steam shovel from the railroad here and we learn since that there is a negotiation with some railroad company who will buy the road from the government and take charge of it.

SILETZ HIGH SCHOOL NOTES

The rain makes us study harder. Friday, the grade pupils and high school students assembled in the high school room. Popular songs were sung by all.

The Siletz High School Story was read Friday afternoon. Everyone enjoyed it.

Monday an assembly was held in the High School room in honor of Theodore Roosevelt. Patriotic songs and Roosevelt's favorite hymns were sung. Essays on Roosevelt were read by the High School and grade school. Also short talks were given by Mr. David Calvert, Dr. Carter and Mr. Miller.

The Siletz school did its share in contributing for the Roosevelt Monument.

The Latin class is excited about Cesar (Kaiser) leading the tenth legion.

The High School girls are planning on organizing a basketball team.

The High School will soon receive a list of educational and story books.

A surprise party was given in honor of Miss Clara Slocum, Tuesday night. The evening was spent in playing games, and everyone reported a jolly time.

The girls are planning on giving a social to raise funds to help the basketball team get necessary articles.

MAKE \$10,000 WORTH OF CHEESE A DAY

An interesting lesson in the growth of an industry when conditions are right and producers work together is shown in Tillamook, Or. A letter from Carl Haberlach, secretary-salesman for 24 cheese factories in Tillamook Co., says that "we are now making \$10,000 worth of cheese per day, and the year's production will be sold for close to \$2,000,000.

The association, which sells the cheese of the two dozen factories, has decided to advertise its cheese, using city papers and billboards to announce the worth of this cheese. It has built on quality. It hires its own tester and makes the cheese come up to a standard. It demands and gets a fair price. It might be added that there is no poorhouse in Tillamook county.

"REBOUNDED VENGEANCE"

"Rebounding Vengeance and the Evolution of Newport, Or." is the name of one of the latest popular books, same being written by Mrs. Theresa Roper of Newport.

Mrs. Roper is an authoress of recognized ability, having written and published several books, this being her latest. We are in receipt of an autographed copy and are looking forward with pleasure to the reading of same, after which we will tell you more about it. We understand that the book is a romance, into which has been interwoven bits of the early history of Newport and Lincoln county. A number of fine pictures of local scenes, and pioneer folk are also contained in the book.

HALLOWEEN PLOTTING

CHUCK BROWN, HE THINKS HE'S AWFUL WISE, BUT I'LL BET THIS JACK-O OPENS HIS EYES. HE SAYS THERE AIN'T SUCH THINGS AS 'HANTS, JEST WAIT—I'LL MAKE 'IM JUMP OUTTA HIS PANTS.

TOLEDO HIGH SCHOOL

Everybody be sure and attend the big Carnival in the Clubhouse, Friday the 31st. This is the first entertainment of this sort to be undertaken by the High School people. The tickets are out and we hope to sell all of them, 25 cents for adults and 15c half fare. The Clubhouse opens at 7:30 P. M. "Our Awful Aunt," which is a comedy, follows at 8:00 o'clock sharp. This play is sure to make everyone laugh. The cast of characters are as follows: Mrs. Hasleton, Ruth Brauti; Alice Hasleton, Kathryn Waugh; Carrie Benton, Rose Derrick; Our Awful Aunt, Edith Young; Pete, "the nigger," Nelson Anderson; Wallace, "the villain," Vernon Johnson; Frank Hasleton, Alvin Andersen; Dave, Wallace's accomplice, Walter McCaulon. After the play there will be a dialogue then a ghost drill. This completes the program. After this, various booths will be opened for the public to partake of their contents. Then later in the evening will be a dance, with the Jazz Orchestra. Let the festive spirit take you in possession, and come and enjoy yourself.

A student body meeting was called last Friday for the purpose of purchasing a new basketball. It was decided by the assembly that a brand new official ball costing \$15.00, would be bought. All are looking forward with enthusiasm to its arrival. Enough material is available for two good teams and after a little practice we will be able to meet any team in the county.

The Freshmen will be honored to attend a theatre party next Saturday evening, given by the Sophomores and Juniors. The Rookies are requested to behave in a manner becoming a High School student.

An interesting address was delivered in the Monday morning assembly by Rev. Cain, pastor of the Methodist Church. The subject of the lecture was, "The Key to Success," something that interested all.

Monthly report cards will be distributed Tuesday evening. All are hoping for the best.

Though it is rather early, we have already begun to think of our annual book, "The Blue and Gold." A meeting was called and the staff elected as follows: Chief Editor, Thelma Fowler; Assistants, A. Graham, S. Chambers, L. Dickson, V. Johnson and R. Brauti; Recorder, Edith Young.

NAZIMOVA
One of the World's Greatest Actresses in
"THE RED LANTERN"
SATURDAY AND SUNDAY
40c — 20c

E. H. Bryant of Nortons was a county seat visitor Tuesday evening. Mr. Bryant informed us that his wife slipped and fell last Wednesday and suffered a fracture of the wrist. She was at once taken to Corvallis for medical aid.

INDIAN COUPLE ARRESTED ON LARCENY CHARGE

Dewey Washington and Della Williams were arrested at the Washington place two miles above the Siletz Agency, last Sunday on a larceny charge.

It seems that last Saturday while Mr. and Mrs. Ralph Hamar were away from home someone entered their house and helped themselves to all the provisions in sight, as well as dishes and culinary articles. To add insult to injury the thief had made away with a fifty pound sack of sugar. The intruder wore a pair of calked shoes and the tracks led off toward the Washington place. Mr. Hamar at once phoned for Sheriff Simpson, who with deputy Bert Geer and Ascent Chalcraft went up Sunday to search the Washington house. When Sheriff Simpson knocked at the door it was opened by Miss Williams, and when asked as to Dewey's whereabouts she informed him that he was in bed. Upon searching the house most of Mr. Hamar's property was found.

They were brought to Toledo and lodged in the county jail until Monday, when they were given a hearing before Justice of the Peace Parrish. They pleaded guilty and were bound over to the Grand Jury under \$500 bonds.

There has been quite a bit of petty thievery on the Siletz this fall, and this arrest will no doubt put a stop to some of it.

NEW BAKERY WILL OPEN MONDAY

The new Lincoln County Bakery will be formally opened for business next Monday under the management of Mr. Chas. Ulrich. Mr. Ulrich comes highly recommended, and everything turned out by the new bakery is guaranteed a first class product.

This is a local enterprise and there is no doubt but that it will have the support of the entire community as it fills a long felt want. Watch for the "Butter Scotch" Brand.

AUTO TURNS OVER

Last Sunday afternoon the car driven by Oca Hoeflein ran off the grade near the Andrew Nye place, and turned over, breaking Oca's leg near the ankle. Zadok Thayer, who was with him, escaped without injury.

AMERICAN LEGION ALDEN ABBEY POST

A branch of the American Legion is being formed here at Toledo and the first meeting will be held at the Soldier's Club House on Friday evening, November 7th, at which time the organization will be completed and officers elected.

The Post is known as "American Legion Alden Abbey Post No. 54," being named in honor of Alden Abbey, late of Elk City, who was the first Lincoln Co. boy to give his life for his country in the late war, while on foreign soil.

Messrs. McMillan, Duerden, McCluskey, Stribbling and others are active in the forming of the organization and very man who saw service with Uncle Sam between the dates of April 11th, 1917, and Nov. 11th, 1918, are urged to be present at this meeting. There are about 200 men in this county eligible to membership and a hundred per cent representation is expected at this meeting.

The American Legion is to the veterans of the Great War what the G. A. R. is to the veterans of the Civil War, and has been officially recognized by the government.
