VOLUME 27

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, NOVEMBER 14th, 1919

NUMBER 38

GREAT IMITATOR AT CHAUTAUQUA

Tom Corwine Comes With Remarkable Sound Imitations.

Tom Corwine refutes the old saying, "Nothing new under the sun." He is a humorist and polyphonist or imitator of sounds—unquestionably the

greatest on the American platform. He can crow like a whole flock of roosters, stage a dog fight and imitate so many things that he will keep you in constant wonderment and in a continuous roar of laughter. The sawing of wood, popping of corks, imitating locomotive whistles—all these are child's play to him.

SILETZ

Siletz celebrated the first anniversary of the signing of the Armistice, which occurred Friday, November 11th, 1918, at 11 o'clock A. M., Germany signing the peace terms, and the fighting ceased. On account of the damp weather the exercises were held in the Government School building. A short but a very interesting program was rendered. Prof. John Miller, principal of the public school, acted as master of ceremonies. Song, Star Spangled Banner; Address, Supt. Edwin L. Chalcraft; Song, Selection by the school chorus; Address, Dr. F. M. Carter; Song, by the eighth grade class; Address, Rev. Walter Ross; Song, High School class; Recitation, Mrs. John Miller; Song, Battle Hymn of the Republic; Piano Solo, Gail Slocum; Song, America, by the audience. This closed the forenoon program. A basket dinner was served in the house after which the audience repaired to the public school building to witness a basketball game, played between the Siletz High School team and a picked up team of town boys. David Calvert the big center of the high school, started getting six field baskets and defending his baskets with the spirit of a general. The rest of the players played a true and spirited game. The score stood 13 to 18 in favor of the High School team. The High School team is slated to tangle with the fast Newport team at Newport Friday, Nov. 14th. Coach Miller gives out the statement that Newport will have to ply some. Gail Slocum, Captain of the team, had his knees bruised in the town team, but will be in good shape by Friday evening and the rest of the team is in fine condition. In the observance of the day the whole community took part in the true spirit of Americanism. "Eternal vigilance is the price of liberty." The world is still very much unsettled.

William Scott and family and B. F. Durell and family and his mother-in-law, Mrs. Palmer, all from Lower Siletz, are moving to Newport to spend the winter and to get the benefit of the public school there.

Mr. Harris Underhill of Summit and Mr. Hubbard of Albany, have been here for several days fishing. Although the trout had followed the salmon up the river to their spawning grounds, these gentlemen had pretty good luck in catching some of the trout.

Several gentlemen have been on the Siletz recently looking for land. Some good sales have already been made. Clayton Pond has bought the Wallace place on the Upper Farm, near the gorge, consisting of 160 acres, nearly all level land, price, \$6,000. This is a fine ranch. Lester Waugh refused \$11,000 for his fine ranch in Camas Prairie, consisting of 100 acres, stock, and farm implements, included. Lester has built a fine new barn on the place and put up a lot of new wire fence. Siletz for raising stock, farming, and the growing of fine small fruits is the cream of Lincoln County. Williams and Kearn will soon have

SIERRA SERENADERS ON LAST DAY

Festival Audiences Assured Musical Treat

A flash of the most delightful vocal music—a beautiful solo perhaps, or a pleasing duet or quartet—followed by an equally delightful program of instrumental numbers, violin, cello or piano solo, instrumental duets, quartets and ensemble numbers—such is the program of the Sierra Serenaders—to be presented on the last day of the Chautauqua Festival. Probably no other organization of five young ladies combines in itself as much artistic talent as do the Sierra Serenaders. Few programs offer such originality, such a varied and ever-changing succession of melody and entertainment.

their plants here to set out their ten acres of loganberries. Others are contemplating setting out the loganberry this winter. The climatic conditions are just right for the logan and evergreen blackberry to grow to perfection here.

Mrs. C. G. Copeland of Newport is now on a visit with her daughter, Mrs. Maurice Andersen.

WALDPORT

L. V. Colvin and family have gone to Gold Beach for an extended visit with Mr. Colvin's father.

Mayor Walker of Cottage Grove is here for the winter, having moved into the residence of Mrs. Marks.

The Roamer, after encountering quite a heavy storm at sea which did considerable damage to her goods, again arrived in port. She brought in a load of machinery and tools for the road contractors at Tidewater, besides a supply of general merchandise.

The saw mill is so busy on shipping orders that it is difficult to get lumber for the local needs.

The City Library was dedicated on the first anniversary of Armistice Day. This is a great improvement to Waldport and vicinity for we have a good collection of books which will be available not only to the people of Waldport but out of town people also. The library will be open every evening from seven till nine.

The Sagendorf bridge on Drift Creek broke down with ten head of Grover Doty's milk cows. This is a case of false economy in the county not spending a few dollars in repairs.

CHITWOOD

A Basket Social will be held at the Chitwood school house, Wednesday evening, November 26. A short program will be given before the baskets are sold.

Mrs. E. H. Stenmitz of Chitwood left for Portland Monday.

The Cook party have reached Modesto, Calif. They were very fortunate, having made the trip in eight days. The mud was left behind at Ashland, and they had good roads from there until they reached their destination.

Mr. and Mrs. Jones were much surprised when the young people of Chitwood dropped in to spend the evening. The young people, as well as the old, enjoyed themselves very much. The schools of Chitwood and Simp-

son Creek closed Tuesday, Nov. 11th, celebrating Armistice Day.

FIVE NIGHT CHAUTAUQUA BEGINS SATURDAY NITE

Commencing Saturday evening, the 15th, the Ellison-White Chautauqua Company will put on a five night chautauqua at the Liberty Theatre in our little city. Miss Troutwine, who represents the chautauqua people, has been here the past several days making arrangements, and tomorrow evening will see the first evening's entertainment. The program is varied, being musical, educational and amusing.

The Ellison-White Company has a reputation for staging none but high class artists, and we believe the people of Toledo will be well repaid for attending the sessions here. Adults' season tickets sell at \$2.20 and children's at \$1.10, which includes the war tax in each instance.

FREIGHT DERAILED

The east bound freight was derailed near Blodgett yesterday tearing up considerable track, and as a consequence the afternoon passenger was about five hours late.

This lateness of the train emphasized the need of some lights on our depot platform. This is the second time this week that the train has come in after dark, and with the platform crowded with people and four or five express wagons it is a miracle that no one has been injured.

OAKLAND BUYS JERSEYS

E. S. Oakland of Bayview passed thru Toledo last week with ten head of Jerseys which he had purchased from Nash Bros. at Nashville. Mr. Oakland has a fine ranch at Bayview and expects to go into the dairy business on a big scale. His ranch will easily keep 40 head.

BIG ELK FARMERS MUTUAL TELEPHONE CO.

Jim Parks and Edward Gillespie of Elk City were in the city Tuesday having constituted and by-laws drawn up for the organization of the Big Elk Farmers Mutual Telephone Co., of which Mr. Parks is president and Mr. Gillespie secretary, respectively. This new company has just recently bought the Big Elk line from G. H. Jones, and are re-organizing under the new name.

SPRUCE LOGS WILL BE LOADED HERE

W. H. Lawson who has been logging on the north spruce railroad near Otter Rock the past several months, has been awarded the contract for loading the logs on the cars here for shipment to Oregon City. A minimum of 20 cars a day will be loaded, and it is probably that about thirty will be the average. The logs are so large that a good many of them will go but one to the car.

The loading will be done on Depoe slough, at West Toledo, and will begin next week. It is estimated that it will take at least seven months to complete the contract, and will probably employ about a dozen men.

BASKETBALL SATURDAY SILETZ VS. TOLEDO

Saturday evening, the 15th, the Siletz and Toledo High School teams will play a game of basket ball in the Fair building in this city. This is the first game of the season, and promises to be a good one. Game starts at eight o'clock.

AT THE MOVIES

Saturday, Billy Burk in an 8 reel drama with a vein of humor thru it. This play was here for one night during the Fair.

Sunday, Mary Pickford in "Hearts Adrift," also "For! Weekly."

POMONA GRANGE TO BE HELD AT SILETZ

Lincoln County Pomona Grange meets with Siletz Valley Grange No. 558, on Dec. 10, 1919. This will be a very interesting meeting. A splendid program is being prepared. Brother C. E. Spence, Master of the Oregon State Grange, will be present and there will be one of those wonderful Siletz Grange dinners. The public are invited to attend the open meeting and program.

Remember the date, Dec. 10, 1919. S. T. Loudon, Master.

CARD OF THANKS

We desire to thank the many kind neighbors and friends for their assistance and sympathy during the death and burial of our wife and mother, and also for the floral offerings.

Wm. Andrews and family.

Major Thornton A. Mills

Major Thornton A. Mills is one of the prominent members of the 1919 Chautauqua Festival lecture staff. He is one of the leading platform men of the country and his appearance this year on the Western Festivals is a noteworthy one.

For the last year he has been connected with the Air Service of the Army, working in the Spruce Production Division as organizer of the Loyal Legion of Loggers and Lumbermen, a patriotic organization which accomplished remarkable results in the speeding up of war work in the camps and mills of the Northwest.

TURKEY SHOOT

J. E. Cooter and Bert Howe are arranging for a big turkey shoot, to be held on the tideland near the Robert's mill, on Sunday, Nov. 23. All kinds of contests and all kinds of prizes. A big time is anticipated.

TOLEDO HIGH SCHOOL

The Freshman Reception given last Tuesday was a great success. The hall was decorated in the patriotic colors of red, white and blue to celebrate Armistice Day. The evening dancing afforded much pleasure and those not caring to dance engaged in playing games. The refreshments were delightful, cookies and punch, that were served between dances. The Freshmen are sure some lively class.

A meeting was called Thursday at which it was decided that a banquet be served after the game Saturday, in honor of the Siletz High School team.

The Physiology Class started Thursday and the lack of text books makes it very hard to prepare lessons. If there are any old texts of Conn & Buddington Advanced Physiology, they will be readily bought if delivered to the school.

We'll agree that Miss Sumner is the best "yell leader" that ever was known. Under her direction we students have learned some lively yells. Just come out to the game Saturday nite and you'll hear us.

OBITUARY

Elizabeth Warren was born April 30th, 1864, in Cornwall, England. In 1889 she came to America to Lead, S. D., where she was married to Wm. Andrews, they having been raised in the same town in England, and had known each other all their lives. They made their home in Lead until 1912 during which time five children were born to them, as follows: Samuel, Bertha, William, Elsie and George, all of whom are now living. In 1912 the family moved to Oregon and located on a fruit ranch near Roseburg. During the Sum-

mer of 1915 the family moved to Toledo where Mr. Andrews had invested quite extensively, and where Mrs. Andrews resided until the time of her death, same occurring Thursday night, November 6th. Funeral services were held Wednesday, November 12th, interment being had in the Toledo cemetery.

Deceased is survived by the husband and five children.

All the children were at the funeral, with the exception of Samuel, he being in charge of the construction of a large electric plant at Niagara Falls, and being unable to come.

SILETZ HIGH SCHOOL NOTES

The few days of sunshine were enjoyed by all. The boys and girls found pleasure in playing ball, and other out-door games.

The Bag Social was postponed until Nov. 21. Everyone come and buy a bag of good eats. Admittance, a bright smile.

Laila Ojala, for the past week, has been assisting Mrs. Barzee in teaching the primary class.

Officers have been elected to start a high school paper. The officers are as follows: Editor, Darrel Hamar; Assistant editor, Alma Ojala; Printer, Willard Barzee.

The high school reviewed a small list of text and story books last week.

A business meeting was called Monday by Pres. Sterling of the Sophomore Class. If you are curious to find out what the meeting was about, ask Mr. Sterling. Another meeting is called for Wednesday afternoon. It will not do for the Freshies to try to find out the secret. The Juniors and Sophomores know. (What?)

Tuesday was a holiday. Instead of going to school, pupils, teachers and town folks met at ten thirty and listened to an interesting program in honor of Armistice Day. In the afternoon an exciting game of Basket Ball was played by the High School team and the town team. The score was eighteen to thirteen in favor of the High School.
