Run Down?

Kidney and bladder troubles are not limited to men. Housework, or work in office or factory, causes women to suffer from weak, overworked or diseased kidneys. The symptoms are—puffiness under the eyes, yellow skin, constant tired feeling, lack of ambition, nervous condition, backache, rheumatic pains, sore muscles, stiff joints.

Foley Kidney Pills

Get right at the cause of suffering and misery, regulate the kidneys and bladder and restore the diseased organs to sound and healthy condition.

Mr. Wm. Fisher, 2029 Woodbourne Ave., Louisville, Ky., writes: "I am just getting along fine. I am taking Foley Kidney Pills every other night. You should have seen me before I started. I was yellow as gold, now my eyes and skin are all cleared up. My kidneys do not bother me at night any more. If it will help some other poor soul who is suffering you may use my name—your medicine is advertised."

PRINCE ALBERT the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joyous a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jimmy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

Awaiting your say-so, you'll find today's red bags, tidy red tins, handsome pound and half pound tin humidors—and—that classy, practical pound crystal glass humidor with sponge moistener top that keeps Prince Albert in such perfect condition!
