DON'T DEPEND ON SPRING DELIVERIES

Spring deliveries of Ford cars have never been certain, and they should not be depended upon. Demand has always been greater for Ford cars than the supply or production. So, if you would be sure of having a Ford car, buy it now while deliveries are possible. Don't wait—even next month is an uncertainty.

Only a limited, specified number of cars has been allotted to this territory. That allotment cannot be increased, because the demand all over the country is greater than the supply or production. Get your order in now, and you will be one of those who is sure of a Ford car out of our allotment.

It's first come—first served. All orders are filled in rotation. So if you would be forewarned, if you would be certain of having a Ford car when you want it—then you will buy a Ford car now. A signed order with us is your protection. It is the result of the wisdom of looking ahead. If you buy a Ford now, don't think you have to "store" it. The Ford is a car made to serve its owner for business or pleasure throughout the entire year. Ford owners have long since come to recognize the fact. It is no longer popular to "lay-up" your car for winter. Buy a Ford now, and use it now.

Jan. Edwards, 208 Harriet St., Montgomery, Ala., writes: "I feel like a new man now from using Foley's Honey and Tar. I can sleep all night and cough but little. My whole family is using it—the little ones and the old ones. My wife tells me just as soon as the bottle gets low and I have to get another one. I have relieved all of our coughs and broke our colds. They are all in better shape than me now, and I am in good shape myself. My health is getting good—my cough is broken—the soreness in my chest is all gone, so many thanks to you for your treatment."
