BUY NOW WHILE DELIVERIES ARE POSSIBLE

Buy your Ford Car now while deliveries are possible. There is only a limited, specified number of Ford cars allotted to this territory. You will be wise to buy one now while we can get cars to deliver. A signed order with us is your protection.

Even our small allotment of Ford cars is not shipped us until we have bona-fide orders for them. This is because the demand for Ford cars all over the country is greater than the supply or production. So, don't depend on spring delivery.

Only so many Ford cars will be shipped in to this territory; only so many will be able to get Ford cars. If you would be forehanded and plan ahead, you will have us deliver you a Ford car as soon as possible. Then you will have it to use whenever you want it.

The Ford is an utility—in your home or business. Its serviceability, its ease of operation, its low cost of maintenance has made it such. It will serve you the year around. Spring and summer, autumn and winter, it is your servant; always ready to do your bidding.

Over Twice as Many to Educate But only Half as Much Money to Educate With

That is why the Oregon Agricultural College, the State University, and the Normal School cannot maintain themselves on the old basis. In 1913 they

Had Only 2250 Students, but they Now Have 5400 Students

In addition, their income in 1913 had twice the buying power of their income in 1920, due to the worldwide rise in costs over which of course they could have no control.

The foregoing is one of many equally good reasons why you should vote for the Higher Educational relief bill at the election on May 21. Save the quality of higher education in Oregon and give YOUR boy and girl, and YOUR NEIGHBOR'S, their rightful educational heritage.
