TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, APRIL 16th, 1920

NUMBER 8

SILETZ

Superintendent Edwin L. Chalcraft has gone on official business connected with his office. He will go to Grand Ronde and from there to Portland and other parts in his district. He will be absent ten or twelve days.

The cold stormy weather of the last few days have stopped the farming and other improvements that were going on in Siletz Valley.

The Indians are very much pleased and elated over their new roll of becoming citizens. Some complain of high taxes but they will get used to that. Alec Catfish says he writes the white men who are going business for the county not to run in debt so as to put them all in the poor house. Alec says it will be all right if the county officials and port commissions don't get us in debt too deeply. He thinks the big timber owners should pay their share of the taxes and not shift it off on the small tax payers. These timber barons are millionaires and could buy the whole county and have money left. When these timbermen want the timber moved and railroads built they will build them and move the timber and this will not be done until they get ready. When these big timber owners use up their timber elsewhere they will come to Siletz and build railroads and mills and put to work a thousand men and the business will start as if by magic. The big interests can build mills and railroads easier than the county could build one mile of hard surface road. Mr. Catfish has a nice farm and is one of the big taxpayers. He wants to see the county go ahead and get no back set. Mr. Catfish would run for County Judge but thinks he is too new a citizen to take up such an important office, besides there are three candidates already in the field and all of them are good men. This gives the voter a chance to select the best man for the job. Mrs. Catfish says she will vote for the best looking candidate. There are two candidates running for assessor, and five for commissioner, and its up to the voters to select the best man for the job. The Commissioners Court is the most important thing in the county and should be composed of men of sound judgment and good courage. The County Court has charge of the county affairs the building of bridges, roads, and purchasing of machinery and the disbursements of the county funds.

At a mass meeting held at Newport recently a resolution was passed proposing to buy the North Coast railroad from the government and build, equip, and extend the road to the 15,000,000,000 feet of timber in the Siletz. The road is to be kept up by the people at a cost no one can tell. The Port of Newport could not finance the project without bankrupting the district. The vote on the resolution was not unanimous. M. A. Abbey and Captain Jacobson voting against it. Municipalities should not engage in buying or building railroads, leave that for the timber holders. I am quite sure the people in the Newport district are not in favor of such wild cat projects.

Mr. Kearn came over last week and with two other persons to help him, set out a crate of logan berries. This does not complete the setting out of the ten acres. It will take 5000 plants to do that. The company will plant potatoes between the rows and if the price of spuds keep up this will bring in a good many hundreds of dollars. The sawmill is running again after the loss of several days because of the breaking of some machinery.

NASHVILLE

"Doc" Gillette was a Corvallis visitor the first of the week.
Mrs. W. H. Martin is still in Portland.
"Luce" Norton is visiting here.
Miss Stanton of Corvallis attended the dancing party Saturday and was an over Sunday guest of Mrs. Bert Smith.
Miss Fay Wolfensperger of Yaquina is visiting Mr. and Mrs. Wallis Nash.
Verne Martin was over Sunday at home, attending to ranch duties during the absence of his father.
M. A. Felton was unexpectedly called to South Beach because of the serious illness of his mother.
Vic and Mrs. Durdall had an "at home" in their mountain retreat near the Falls Tuesday, entertaining Miss Ruth Butterfield, Mrs. Fay Wolfensperger, L. D. Nash and Mr. and Mrs. R. N. Nash.
R. R. Lakin has returned to Portland.
Otis Hamar was an overnight visitor with his father Monday.

SOUTH BEACH

Joe Ewing lost a nice young cow this week.
E. R. Lynn is duly installed as night watch at the jetty dock and likes his job.
People of our little burg are glad to learn of the probability and possibility of a paper pulp mill coming in here in the near future.
Grandma Felton still continues on the sick list but is reported some better. Dr. Forbes of Newport is attending her.
The Humane Officer passed thru our burg this week and found a calf that had been foundered on chicken feed, and ordered it to be taken up and fed, which has been done for some time past, letting it run thru the day.
The South Beach Commercial Club met last Tuesday evening and elected new officers, re-electing Wm. Sherr as president, and Mike Hoffman as vice-president, and planned for future work. The cleaning up of the cemetery was discussed, but no definite plans were decided on as no one seems to know who it is decided to.

A committee was appointed to look it up. Some improvement on the school house was decided on, and some other questions discussed. Committees were appointed for different things.

W. V. FULLER WRITES

Dallas, Or., April 12, 1920.
Editor Lincoln County Leader:
I wish to say to my loyal friends in Lincoln County, that I feel deeply grateful to them for their support at the time I was a candidate for Joint Representative for Polk and Lincoln Counties. I have been urged by many of these friends to again become a candidate for the same office, but to my regret, my business arrangements will not admit of my acceptance of the office. However, the loyal support you have always accorded to me, makes me bold enough to ask your favorable consideration of the candidacy of my friends and neighbor, Geo. T. Gerlinger for Joint Representative.
Mr. Gerlinger was born in Chicago, in 1876, came to Oregon in 1894, and to Polk County in 1902. He organized the Willamette Valley Lumber Company in 1906; built a railroad from Salem to Black Rock, and has operated a large saw-mill in Dallas, since that time. Many of the men who were in his employ when he first started operation in Polk County, are still with him, and there has never been a strike in his mill or camp.

Mr. Gerlinger is well and favorably known throughout the state, and is one of our largest tax-payers.
As timber is the main asset of Lincoln County, I wish to say, that as Mr. Gerlinger is a member of the Oregon State Board of Forestry, he is particularly well advised to the needs of the timber portion of the State.
In serving two regular and one Special Session of the Legislature, I find that the County is judged by its Representative. If you give Geo. Gerlinger your hearty support, you will not have cause to regret your action.
Sincerely yours,
W. V. Fuller.

FIRST NATIONAL BANK
Pay to the order of Rev. N. E. Pastor
Only Fifty Two Cents
Each Church Member

—and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

If you want better preachers, help to pay the preachers better. It's the best investment for your community—and for your children—that you can ever make.

Mr. Stocker is a resident of Newport, where he has been in the butcher business for years. Mr. Stocker is an energetic young man and in asking for this office he makes his first appearance in politics.

R. R. Gwynn of Toledo has his announcement in this issue as a Republican candidate for the nomination of Sheriff. Mr. Gwynn believes in the old saying, that "God helps those that help themselves," and is going in the race to win. Mr. Gwynn has resided at Ona, Toledo and Siletz since coming to the county and enjoys a wide acquaintance. He has practiced as a veterinarian and also held several minor public offices since taking up his residence in this county.

SCHOOL PLAY PROVES BIG SUCCESS

The T. H. S. senior play, "His Private Secretary," which was given at the Liberty theatre in this city last evening drew a packed house. The show was a scream from start to finish and old uncle CATERMOLE was sure there with bells on. The several actors each were well fitted for the part they represented, and acted them out to perfection.

The play will go to Waldport tomorrow evening, and later will be taken to Siletz. The money raised will be used in the publication of their annual, the "Blue and Gold."

If---

An Oregon family of four had \$100 a month to get along on in 1913, but had grown into a family of ten with only \$45 a month increase in 1920, how in the world would it live?

That Is the Case With

The State University, the Agricultural College, and the Oregon Normal. In 1913 they had 2250 students; now they have 5400. And \$1 in 1913 is only as good as 45 cents today, in purchasing power.

If You Yourself Were Responsible

could you carry on the work of the College, University and Normal on the same state support as in 1913?

You Could Not

Neither can the State University, the Agricultural College, and the Normal School do it. Will you not help these three institutions to continue their useful and productive work for Oregon by voting on May 21 for the Higher Educational relief measure?
