VOLUME 28

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, MAY 21st, 1920

NUMBER 13

SILETZ

The play "Aron Boggs, Freshman," was given by the Siletz High School Friday evening, May 14, in the government school building. There were sixteen characters represented in the play, thus taking in every member of the High School class. Where all did so well it would be invidious to make comparisons. The class was greeted with a full house of interested spectators, nearly every family in the community was represented, showing the great interest the people here take in education. The cast of characters were as follows: Aron Boggs, Otto Pangerman; Ben Carter, David Calvert; Happy Jimmy Jamison, Gail Sloum; Pepper Jarvis, Willard Barzee; Henery Chubb, Darrel Hamar; Casey Jones, Joseph Dowd; Abeya Jerr, Joe Koydner; Ispeneta Boggs, Raymond Sterling; Lizzie Maud Feeny, Slame Niemi; Mary Chubb, Thelma Niemi; Violet Pickens, Mary Henry; Evelyn Newcomb, Alma Ojala; Lois, Agnes Crawford; Loretta, Margaret Miller; Cherry, Helen Ojala; Dallis Chubb, Lallo Ojala. Margaret Miller gave a recitation, "The Courtship of Widow McGee." The orchestral program was very fine and interspersed the stage exercises with the following numbers: March, "Sword of Honor," No. 7; Act 1. 3. Waltz Tempo, "Rosemary," No. 11, Act 2. 4. Cakewalk, "Dixie Land," No. 6. 5. Mazurka, "Rosabel," No. 58. 6. Final March, "Soldier of Fortune," No. 12. The orchestra added much to the evening's entertainment. Members: Chas. E. Larsen, 1st violin; Miss Frances Farham, 1st violin; Gail Sloum, cornet; Wolvorton Orton, Clarinet; Arthur Bessell, trombone; Mary Alice Bessell, piano. The orchestra was trained and taught by Mr. Chas. E. Larsen and it certainly adds greatly to the interest and pleasure of all of our community entertainments when its services can be obtained. Miss Farham, principal of the High School, had charge of the program and did the training of the class.

Thursday evening the Ladies Aid Society gave a reception to Mrs. Joe Casen at the government school house. This honor was accorded Mrs. Casen just before she and her husband left to spend the summer on the Yaquina Bay, in Lee Wade's logging camp, where the men folks will engage in getting out logs for the mill. A nice luncheon was served and a general good time was had by all present. This reception came as a great surprise to Mrs. Casen, but nevertheless, it was greatly enjoyed. By request Supt. E. L. Chalcraft made a few felicitous remarks in behalf of Mrs. Casen, thanking the neighbors and friends for the nice reception, good eats and the pleasant evening they had spent together and after wishing Mrs. Casen many more such happy occasions and after gathering around the piano and singing "Auld Lang Syne," the party repaired to their several homes. This world is not so bad a world as some would like to make it, but whether good or bad depends on how we take it.

Walter Huey, wife and the daughter, went over to Toledo Saturday, and while gone, their house and barn burned down with all their contents. No insurance. The house took fire from an old snag that was burning and finally fell towards the house and set it on fire. The family did not save a thing except what they had on their backs, and their car. Mr. and Mrs. Huey lost their gold watches that were keep-sakes. The family had gone over to meet the train and bring Mrs. Huey's father. Mr. Huey took his family to Portland, hoping to get work to retrieve his misfortune.

Sunday was a gay day for Siletz. A community picnic was held on the bank of the river near Maurice Anderson's. A good many people attended. A baseball game was played on the public school grounds between the High School pupils and the Kangaroos of the Upper Farm. The score stood Toledo 10, Kangaroos 0. From Newport we saw Mr. and Mrs. Lee Williams and family, and many others. The day was ideal and every body enjoyed it.

Andrew Porter was in the city Monday.

Much interest is being taken in the primary election.

NEWPORT

An enthusiastic rally of the Jones Club was held in the Midway Theatre last Tuesday evening. The hall was full to overflowing and everyone present was in the best of spirits. Dr. W. C. Belt presided and among the four minute speakers were Messrs. Waterbury, Rev. McLeod, and Mr. Dennis of Carlton. Mrs. L. C. Smith sang and Mrs. Martin Smith gave a Scotch folk song that was much appreciated. The boxers scheduled were young and callow and got cold feet before their time and could not be found.

An old map in the hands of Engineer Wright, dated 1880, brings to light some interesting data concerning Yaquina bar. Before any work was done on the jetties the best water to be found at low tide at any place was seven feet. After the first work on the jetties had been completed a very zigzag course would give 12 to 14 feet on low tide, while already the south jetty only partially completed, the channel has been straightened out and 14 to 15 feet of water can be had in a straight channel. This is encouraging when we consider that the south jetty still has to go out some and the continuation of the north jetty has not begun.

Friday to spend the week-end with friends and relatives here.

C. S. Ohmart, Chas. Burch and Clifford Phelps are working in H. J. Woods logging camp on Pool Slough. They report work progressing well. The first raft of logs was sent to Toledo Thursday.

Someone said, where is Oysterville. Why, if anyone would be at Winant P. O. just after the train leaves each day, they would see there are more men voters in Oysterville than any other small burg on the bay. Almost all nice looking bachelors (where are the leopards) if they can't row, they might at least be at the P. O. train time.

Our little school has a teacher at last and all the youngsters seem glad to get to their studies. The teacher, Miss Welcome of Portland, is making her home at Mike Sherman's.

ELECTION, MAY 21

STATE ROADS

Vote 302 X Yes

For 4% State Road Bond Limit

BALLOT TITLE IS AS FOLLOWS:

302 X Yes
303 No

CONSTITUTIONAL AMENDMENT—Referred to the people by the Legislative Assembly.

LIMITATION OF FOUR PER CENT STATE INDEBTEDNESS FOR PERMANENT ROADS.—Purpose: To amend Section 7 of Article XI of the Constitution of the State of Oregon so as to permit the incurrence of debt and liabilities including previous debts and liabilities for the purpose of building and maintaining permanent roads to the amount of four per cent of the assessed valuation of all the property in the State of Oregon, instead of two per cent as now provided by law.

**NO PROPERTY TAX—NO DIRECT TAX
NO INCREASE IN AUTO LICENSE FEES
NO INCREASE OF GASOLINE TAX**

Keep these three facts in mind. The present auto license fees and gasoline tax will pay both the principal and interest on all the bonds under this amendment, and will yield an annual surplus besides for other state highway work. No additional taxation of any kind.

FEDERAL FUNDS MUST BE MATCHED

Oregon must have sufficient Highway Funds to match Federal apportionments or Oregon cannot get the benefit of Federal money for Oregon Roads. Increasing this constitutional limit is a necessity. Unless limit is increased, by direct property taxation. This measure averts direct property tax for state highways and makes early completion possible. Let's get the roads built now.

Income from Present Sources Sufficient to Pay Principal and Interest.

The fact that revenue from auto license fees and gasoline tax, without increase of present rates, is ample to pay both principal and interest on these bonds, is clearly set forth by official figures in the State Pamphlet, mailed to every registered voter. Refer to State Pamphlet for verification. Examine the table carefully. It shows that no property tax is required, and that present rates for auto license fees and gas tax will reduce principal and interest and yield a surplus besides.

CARSON INSTALLING ACETYLENE WELDER

Mr. Carson recently returned from Portland where he took a course of instruction in acetylene welding.

The establishing of this plant here fills a long felt want, and since the automobile has become so common, there is plenty of work here for such an establishment.

PERCY KING IS INJURED AT ROBERTS SAWMILL

Percy King came near losing his life while working at the Roberts sawmill in this city Tuesday, by getting caught on a cable and being wound on the drum of the log-haul.

Mr. King was hauling logs up the slip from the pond. He had started four logs up and was guiding the cable so it would wind smooth on the drum when in some manner he got his hand fast and was drawn around the drum. He cried for help but was carried around the drum four or five revolutions before O. L. Agee, the sawyer, could get to him and release the friction that operates the drum. As he was carried around the drum the cable, pulling the four logs up the slip, wound around and around his left arm making it a pulp. The fingers of his right hand were also caught and crushed.

It was a slow, heart-rending job getting him released from the drum after it had stopped. He was taken to the office of Dr. Burgess as soon as possible, and his wounds dressed. Guy Roberts at once arranged for a special train, and the injured man was taken to the Corvallis Hospital that evening. He was accompanied by his wife, Mrs. A. L. Oglesbee, Earl Roberts and Dave Hackett.

At first it was thought he would lose his right arm, but the latest reports from the hospital indicate that he is getting along nicely, and that there are hopes of saving the injured member.

Mr. King is a young man and has a wife and child. The family came here from near Alpine, a year or so ago.

LOCKLEY WILL MAKE GOOD

Vote for Fred Lockley for Secretary of State. He is thoroughly familiar with our county, its resources, and its needs. He stands for Economy and a square deal. (Paid Adv.)

MOHAIR DOES NOT SELL

The Eddyville Mohair Pool which was scheduled for sale last Wednesday was not sold, as there was but one bidder present, and he would not bid what the organization thought their hair was worth.

The Eddyville Pool is the product of 81 growers and comprises some 30,000 pounds of mohair.

The Association is corresponding with eastern buyers with a view to selling there.

J. L. DEMITT DIES SUDDENLY

J. L. Demitt passed away at his home in this city Wednesday evening, death being due to heart failure. Mr. Demitt was apparently in his usual good health and after supper sat down to read the paper for a few moments before going down to his shop. Mrs. Demitt went down town and when she returned later she found Mr. Demitt dead.

Mr. Demitt was 55 years of age at the time of his death. He was born in Indiana, and came to Toledo from Kansas about seven years ago. He worked in the sawmill for a time, but soon opened a meat market on the Water Front, in which business he continued to the time of his death.

Mr. Demitt was an honest, high-esteemed man, and was held in high esteem by all who knew him. He was a member of the Odd Fellow and Elk Lodges.

Funeral services are to be held at ten o'clock today, being conducted by the I. O. O. F. Lodge, with interment in the Toledo cemetery.
