THE UNIVERSAL CAR

The Ford Touring Car is literally the pioneer in the solution of the Good Roads problem, because three million or more in operation brought up to the millions of America the necessity of good roads if quick transportation at low expense was to be enjoyed. The simplicity of the Ford car, its stability in construction, the famous heat-treated Vanadium steel with its marvelous strength and flexibility, the low cost of operation and maintenance, its ease in operation, all have made the Ford car the great favorite in every land in the world. It's the one car that always satisfies and serves. A utility beyond question that all can afford. We sell them and will be pleased to have your order. Don't delay, because the demand is heavy all the time. We have almost everything in motor car accessories, carry the genuine Ford Parts, and assure the best in mechanical repair work.

wise, be forever barred and foreclosed of all right, title, lien, claim interest, estate, or equity of redemption in and to said mortgaged premises and the whole thereof, excepting redemption as by law provided.
