

NEW PERFECTION
Oil Cook Stoves and Ovens

Proud of It

Mother is proud of her delicious preserves, fruits and jellies.

New Perfection Oil Cook Stoves make canning easier. The Long Blue Chimney burner gives cooking heat instantly without smoke, soot or disagreeable odor. Drives clean, intense heat directly against the utensil.

The flame stays where set—needs no watching. A big help in canning time.

You'll want a New Perfection oven—it bakes perfectly.

Let us demonstrate its Long Blue Chimney burner.
