**Have a Look!**

Here it is—the farm paper you've been looking for. It's a great national institution, big enough to cover the whole hundred billion dollar farm business—big enough, too, not to neglect any important local interest.

**The COUNTRY GENTLEMAN**

is all that you want your farm paper to be—always thoroughly practical, but always interesting; always original, but always pure-fact stuff.

I'd like to show you my copy for this week—honestly, I never saw a better farm publication in my life. It's written by men who KNOW farming, not by quill-driving theorists, and it brings to you the best practice of successful farmers and breeders the country over. That's the NATIONAL SERVICE that you hear about

whenever THE COUNTRY GENTLEMAN is mentioned. Ask your Farm Bureau Official, your County Agent, your Livestock Shipping Association and your Banker what they think of this service. They'll be glad to tell you. Then I know I can expect your dollar for the fifty-two big weekly budgets of farm helpfulness.
