

A 15 Gallon Barrel of

ZEROLENE

Will save your MOTOR and save you MONEY

Take home a barrel today

FACTS!
you cannot deny them

Motorists buy Zerolene because it is good lubricating oil; because it makes the car last longer.

More than half the motorists of the Pacific Coast states use Zerolene. Such approval is never an accident; it is given only as a reward to products of highest quality.

The resources, experience, knowledge and equipment of the Standard Oil Company create an efficiency in the manufacture of fine lubricants hard to duplicate elsewhere in the world.

Buy Zerolene for Correct Lubrication.
