Frederick's Quality Store

Fisher's PRODUCTS

MANUFACTURED IN

"AMERICA'S FINEST FLOURING MILLS"

THE DETERMINATION TO GIVE THE PUBLIC THE VERY BEST PRODUCTS THAT CAN BE MANUFACTURED makes FISHER'S PRODUCTS WHAT THEY ARE. Unequalled buying resources, the matchless equipment of "America's Finest Flouring Mills" and tremendous output give the FISHER FLOURING MILLS COMPANY the ability to carry out this determination.

Whatever you buy that carries the FISHER trademark, you may be sure is the best of its kind and that it will give the results you are paying for, whether in the kitchen, the poultry yard or the dairy farm.

FISHER'S BLEND FLOUR is a fitting leader for the FISHER line. This scientific blend of the choicest eastern hard wheat and the choicest of western wheats combines the best qualities of both wheats. It will give you more and larger loaves of better bread and you'll find it just as fine for cakes and pies; truly a perfect flour for every purpose.

FISHER'S ROLLED OATS keep right up to the FISHER standard. The finest, big western-grown oats are milled by our unique process that preserves the best of the rich oat flavor, then electrically toasted in our own ovens to a rich golden color.

A steaming bowl of FISHER'S ROLLED OATS is just what your small boy needs to start his strenuous day. FISHER'S ROLLED OATS give him just the energy he requires.

FISHER'S PANCAKE FLOUR was specially planned to help out at busy breakfast time. You just add water and it's ready to bake big, fluffy, crispy-brown cakes with a real old-fashioned buckwheat flavor.

Even the powdered milk and corn sugar are mixed right in with the choice buckwheat, wheat, corn and rice, it's a perfect pancake flour to mix a perfect batter to bake perfect pancakes.

WHETHER YOUR POULTRY IS JUST A PROFITABLE SIDELINE, or your whole business, you'll find bigger profits in FISHER'S POULTRY FEEDS.

Practical experience is the basis for FISHER'S POULTRY FEEDS: scientific experiments have perfected them to be the best possible mixture for the particular poultry need.

Start your baby chicks right on FISHER'S CHICK STARTER MILK MASH, keep them growing on FISHER'S CHICK FOOD.

Then there's FISHER'S GROWING FOOD and FISHER'S DEVELOPING MASH to bring the chick up in the way he should grow, bring him to profitable maturity.

For the surplus cockerels that go to market there is FISHER'S FATTENING MASH, a uniform mash mixture that increases the proportion of meat over that of bone, making the meat more palatable and brings you better prices.

THE MORE PORK THE PIGS MAKE THE MORE MONEY YOU MAKE. That's why FISHER'S MORPORK will make money for you; it builds bigger frames for the hogs to put flesh on, and it adds the flesh at the lowest cost to you.

FISHER'S MORFAT is mixed to speed the pigs on their journey to market. It produces the most fat at the most economical cost and in the least time.

FISHER'S EGG PRODUCER will keep the egg basket full. It contains the proper element for egg production, and the hens and pullets certainly appreciate it—they say "Thank you," with more eggs than they ever laid before.

FISHER'S SCRATCH keeps the hens busy getting exercise. This tempting variety of sweet, sound grains is worth scratching for, it's mixed just to their taste. Balanced to be fed with FISHER'S EGG PRODUCER or FISHER'S BUTTERMILK MASH.

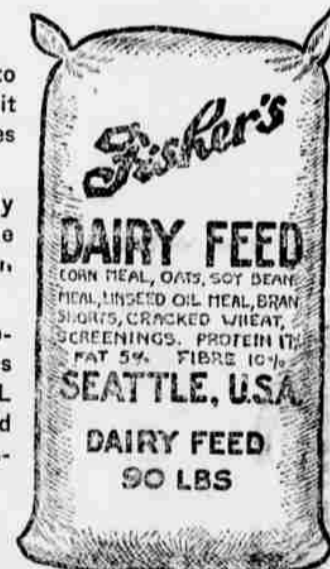

To keep the egg yield right up to the mark feed FISHER'S BUTTERMILK MASH.

Watch your cow smile when you begin to feed her FISHER'S DAIRY FEED, she likes it mighty well, and you'll like the jump it gives the milk production.

FISHER'S DAIRY FEED is scientifically mixed, laboratory tested and contains just the ingredients the cow needs for milk production, and body maintenance.

FISHER'S CALF MEAL solves the problem of calf raising for the farmer who makes butter or sells cream. FISHER'S CALF MEAL is rich in digestible protein, carbohydrates and fat to promote daily growth and provides a complete substitute for whole milk.
