

## Let's settle this right now!

No man ever smoked a  
better cigarette than Camel!

You'll find Camels unequalled by  
any cigarette in the world at any  
price because Camels combine  
every feature that can make a  
cigarette supreme!

Camels expert blend of choice  
Turkish and choice Domestic  
tobaccos puts Camels in a class by  
themselves. Their smoothness  
will appeal to you, and permit  
you to smoke liberally without tir-  
ing your taste!

Camels leave no unpleasant cig-  
arette aftertaste nor unpleasant  
cigarette odor!

You'll prefer Camels blend to either  
kind of tobacco smoked straight!

Camels are sold everywhere in scientifically sealed  
packages of 20 cigarettes for 20 cents, or ten pack-  
ages (200 cigarettes) in a glass-topped, covered  
carton. We strongly recommend this carton for  
the home or office supply or when you travel.
