

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

In submitting the Port of Portland
consolidation bill to the voters of Ore-
gon the people of Portland ask the
people of the whole state for authority
to provide means of shipment by sea
for the state's products. Portland is
the great port of Oregon, for it is the
chief point of export for the products
of both eastern and western Oregon,
and in that manner it renders a pub-
lic service to practically the entire
state. The Port of Portland Commis-
sion having been created by a special
act of the legislature, that law can
be amended only by the legislature or by
vote of the people of all Oregon.

Upon the Port of Portland has de-
veloped the duty of providing a naviga-
ble channel up the Columbia and
Willamette rivers, of building docks
and other shipping facilities. The in-
creased number and tonnage of ships
require that the channel be deepened
and widened and that more docks be
built. For this purpose the bill en-
larges the borrowing and taxing power
of the commission, but taxes are to be
levied and bonds and interest on them
paid by taxpayers of the Port District.

Oregon Must Have a Port Equal to any Port on the Pacific Coast

Initiative measure No. 310 on the ballot gives to the Port of
Portland means to create such a port.

The primary object of this bill is to furnish the means to
insure the opening and maintaining of a 30 foot channel from
Portland to the sea and of building and establishing port facilities
at the City of Portland sufficient to handle the foreign and coast-
wise shipping of that port.

The cost of this improvement will be met by the people
living within the boundaries of the Port of Portland.

When you go to the Polls November second vote 310 YES
and give to the Port of Portland the power to maintain its 30
foot channel to the sea and to build adequate port facilities to
handle all the great products of the interior of the state.

The passage of this bill means lower freight rates for the
products of Oregon in reaching the markets of the world and a
consequent greater profit to the producers.

This is the most important and the most valuable measure
that has ever been put up to the voters of the interior portions
of the state.

VOTE 310 YES.

G. S. O'Neal, Secretary.

THE life, the value, the beauty of your home,
depend on the care you give it.
Weather-beaten and warped siding, cracks
and open joints are forerunners of decay.
Many property owners neglect to look for such
signs, judging their houses and buildings by general
appearances only.
It is good business to make regular inspection of your
property, and to use paint of good quality, which is the
surest preventive of decay.
Through the varying conditions of weather in all their
extremes, FULLER Paint has proved both its preserv-
