"Capital and Industry--Keep Out!"

WOULD YOU, AS A PATRIOTIC CITIZEN OF OREGON, PLACE SUCH A SIGN ON THE BORDERS OF THE STATE?

That is exactly what you will help to do if you do nothing to prevent the passage of measure No. 314 and 315 on the November ballot entitled, "Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure proposes to limit the rate of interest in Oregon to 5 per cent. You can, by law, fix the rate of interest in Oregon, but you cannot, by law, force the loaning of money in this state, when a much higher rate can be secured elsewhere. The passage of this measure would force the withdrawal of the millions of foreign capital which is today loaned on factories, business and real estate in the state and send your local money owners outside of the state to better investments.

Passage of this measure would mean foreclosure of thousands of mortgages, would result in financial paralysis, and would mean widespread unemployment.

You, no doubt, understand the visiousness of this measure, but have you talked to your neighbors, and friends about it? We urge you to do everything you can to defeat this measure. Oregon's reputation as a sound state for investments requires that this measure be overwhelmingly defeated.

As a Citizen of Oregon You Need the Port of Portland

If you owned a store you could not make a big success unless your business methods were as modern as your competitors! Unless Oregon develops her shipping facilities she cannot expect to get her share of the world's business. It rests with the citizens of this state whether Oregon shall develop her wonderful resources and reach out for bigger markets, or remain practically an inland state.

To become a real port, a 30 foot channel must be dredged in the Columbia and Willamette Rivers from Portland to the Pacific Ocean. This will enable farmers, stockmen and lumbermen in the interior of the state to reach the markets of the world at a lower freight rate and greater profit to themselves.

The taxing and bonding power to make these improvements can be granted the Port of Portland only by the people of the state. You and every other citizen will benefit if you, on November second—
