TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, OCTOBER 29th, 1920.

NUMBER 36

SILETZ

The new play house was dedicated and set apart for educational, social and physical training of the pupils as a part of the school work. It will also be used as a place to meet for social and community work. The first program in the new building was given Friday evening by the school. Prof. Eggy had charge of the program and acted as master of ceremonies. The exercises commenced by singing the National Anthem by the audience, followed by one minute remarks by Prof. Eggy. Song "Choo-Choo" by Primary boys of Mrs. Colvin's room. "Pants My Mother Used to Make, Ciyah Brown. Pumpkin Drill, fourth and fifth and sixth grades of Miss Southwell's room. Solo, Dandelions, Verni Strong. One act play—Aunt Susan Jones, students of the high school. The characters in this play were well represented. Song, "The Postman, Sena Fring and Harry Christopher, primary department. Exercise, "House of Horrors" seventh and eighth grades of Miss Treats room. Dialogue, "Belling the Cat" boys of Mrs. Colvin's room. This was a very humorous piece. Song, "Freckles" Miss Southwell's room. At this point an apparition appeared as representing the new building and the spirit of the community which prompted its erection and the possibilities for its use in the community and the organization of a parents-teachers association in the district were among the suggestions made by Prof. Eggy, principal of the school. The numbers of the last section of the program were a rehearsal of the girls' Dramatic Club, girls of the high school. Song "By-Lo Land" girls of the primary department. Song "Red, White and Blue" by girls of Miss Treats room, eighth grades. This was followed by singing the "Star Spangled Banner" and the giving of the flag by the whole audience. This was impressive and patriotic. The seats were then placed to the sides of the hall when the high school students ran two kinds of relay races, then the Juniors and Sophomores being pitted against the Seniors and Freshmen, thus dividing the student body into equal groups. The third relay which was a double shuttle and which decided the race was won by the Junior-Sophomore team carrying a tennis racket. The victory was due to superior speed or to a slight error by the Seniors-Freshmen team in fumbling the doll which was carried. The teachers had prepared a light lunch of cookies and cocoa served to all. Some three hundred persons were present and among them more than a hundred students.

Friday, E. T. Raddant shipped a car load of stock to the Portland market, consisting of 48 head of hogs and 20 head of cattle among them being 12 head of big steers. Mr. Raddant is one of the prosperous and enterprising farmers and stock raisers of the Siletz Valley.

AN APPEAL TO REPUBLICAN VOTERS

Before the next issue of this paper appears, the political campaign of 1920 will have become history.

We, your committee, desire to make a final appeal to the Republican voters of Lincoln County, to first of all go to the polls, to see that all your friends do likewise; then second cast your votes for Harding and Coolidge. Having done that, do not shake our next President by sending him a Democratic Senator from Oregon. If you are true, 100% Republican you believe in the principles of your party, and a vote for Harding cannot be consistently followed by a vote for Chamberlain.

Regarding our county candidates, we also earnestly urge you to line up solidly behind them. We have no criticism to make concerning the personally nor the fitness of the Democratic candidates for the contested offices. They are all honorable, courteous gentlemen.

Can any one say any less of our candidates? If not why not support them? There can only be one answer. Think of these things and act accordingly and Lincoln County will roll up the biggest Republican majorities in its history.

HILL STREET PAVING TO BE RESUMED SOON

Chas. Mock informs us that he expects to resume paving on Hill street just as soon as gravel and sand arrives so he can commence work. The first paving put down will be in front of the Fredericks property. Next the street in front of the Lincoln County Bank will be paved, and then the street in front of the new bank building.

Hill street is in a very bad condition and the work should be hurried along as fast as possible.

BUY REGISTERED JERSEYS

Last week Messrs. Wm. Toner and Con Christiansen purchased a car of registered, full-blooded Jerseys, buying same at the sale held at the State Fair Grounds at Salem.

These gentlemen are two of our most progressive farmers, and the importing of such stock as this is what will soonest put Lincoln County on the map in the dairy world.

V. D. Graves of Toledo also attended this sale, but did not purchase any of the animals. Mr. Graves has a nice herd of pure bred Jerseys.

JUDGE FOGARTY ADMITS OUR FIGURES CORRECT

In an article in this issue Ex-County Judge John Fogarty admits that the figures as given last week, in answer to the Elk City enquirer, were correct. It seems that the report has become widely circulated that the county was out of debt when Judge Fogarty went out of office.

The report of E. S. Anderson, State Accountant, on file, gives the outstanding county warrants (without interest) September 30th, 1914 to be \$67,826.31. The interest on these warrants as shown by the semi-annual report of County Treasurer at this time was \$35,000. Between September 30th and December 31st, the date of the expiration of Judge Fogarty's term, the debt was increased \$1537.48 making the total indebtedness \$72,907.60. We do not agree with Judge Fogarty however when he states that the taxes for 1914 were due and collectible, as these taxes were not due and would not be collected until April 1st, 1915, nearly a half a year later, during which time the debt would be steadily increasing.

ST. JOHN'S PARISH HALL

At last the ambition of several years has been entertained in the minds of the congregation of St. John's Episcopal Church. Its object was the possession of a hall in which the social organizations and activities of the congregation could have adequate and convenient home. The beginning of the fulfillment of this dream was made last week when the church rented the hall on the first floor of the Odd Fellows building. This room has been christened St. John's Parish Hall and is to be opened this evening (Friday) with a High School Halloween party and followed on the following evening by another Halloween Party given by the Girls' Friendly Society of the Church. It is the ambition of the ladies of the congregation to eventually transform the hall into a real cozy homelike place where not only the congregation of St. John's but other societies and individuals of Toledo may hold their social functions. If you desire at any time to engage the Parish hall you are invited to consult either Mrs. A. T. Peterson, the clerk of the church, or Mrs. W. H. Burton, the treasurer.

ANNUAL ELECTION IN THE RED CROSS

In pursuance with the regulations of the Red Cross Society, the Lincoln County Chapter met last Wednesday evening in the courthouse for the annual election of officers. Owing to the absence of the secretary and treasurer no report for the present year was received. W. H. Burton was elected temporary chairman and the election of officers proceeded with the following result.

Chairman, Rev. H. E. Bush; Vice-Chairman, Mrs. W. H. Burton; Secretary, Mrs. W. H. Daugherty; Treasurer, Mrs. A. Gustafson.

The Committee decided that as a matter of fair play the meetings of the Executive Committee be held in Newport for the ensuing year.

CHAIRMAN EMERY PREDICTS SWEEPING VICTORY

In an interview with W. G. Emery, chairman of the Lincoln County Republican Central Committee in regard to the election outlook, Mr. Emery said "From all reports received by me from the State Rep. Central Com., the indications are that Harding and Coolidge will carry the State by 50,000 and that Stanfield will be elected by 20,000. These estimates are based upon a careful check from reports from all counties. Reports from the National Committee are to the effect that the Republican Candidates will receive an overwhelming majority of the electoral vote. Wagers at odds of 5 to 1 on Harding and Coolidge going to the East without takers.

In this state the odds on Chamberlain of a month ago, has switched to even money, and indications are that the odds will be on Stanfield as election approaches.

"In Lincoln County Harding and Coolidge will get a majority of at least 700. Chamberlain's usual majority has been whittled down till now the county can safely be counted for Stanfield.

"As to our county candidates, everyone should be elected and will be if every Republican votes true to party principles. The only uncertainty in regard to these candidates, is as to the amount of their majorities."

GRAVES YAWN—GHOSTS WALK—SPIRITS WHIS—PER HALLOWE'EN

Saturday eve, so I am told, Rebekahs and Oddfellows' ghosts will hold a revelry—where Ghosts will roam Mid Witches, Bats, Caps and BONDS. Visiting Oddfellows, Rebekahs, too, they whisper a word of welcome to you so don't your sheet and mutely knock. At the Oddfellow Hall at 8 o'clock.

TAXPAYER WANTS TO KNOW

Editor:—
Will you tell me through the columns of your paper if Mr. Fogarty was a member of the County Court when the gravel train was purchased for rocking the Siletz-Toledo road.

..... Taxpayer.

STANFIELD WILL WIN

Stanfield MacDonald of Portland, who delivered an address at the Court House here last evening predicts that Robert N. Stanfield will carry Oregon by a majority of twenty thousand. Mr. MacDonald has been all over the state and is in a position to know about how the state will go. According to his deductions Stanfield will carry all but five counties in the state.

The meeting last evening was presided over by Republican County Central Committeeman Emery of Newport. After a short opening talk by Chairman Emery and several short talks by Republican candidates for County offices, Mr. Emery introduced Mr. MacDonald as the speaker of the evening. Mr. MacDonald is a forceful, energetic speaker and he layed the Democratic administration unmercifully. He has no use for the so-called Chamberlain-Republican and urged them to be consistent and vote for Cox for President if they voted for Chamberlain.

INDIVIDUAL PRIZE WINNERS

As yet we have not the report of the Lincoln County exhibit, nor the report of the local fair, but give you herewith the names of those in Toledo who carried off prizes at Salem, competing against the whole state:

Rutabagas, first prize, V. D. Graves. Cabbages, first prize, Christiansen's. Celery, first prize, G. Dah. Cauliflower, second prize, Christiansen's.

Mrs. J. Swearingen arrived home from Corvallis Wednesday evening. Mrs. Swearingen had her tonsils removed while at Corvallis.

Bob Stanfield stands for the bonus bill for the soldiers. He has come out fairly and squarely for their treatment for the soldiers, sailors and marines who won the war.

Bob Stanfield is in favor of free tolls on Panama canal coastwise shipping. This would help restore our lumber industry to prosperity and give employment to labor.

The Democratic administration did nothing to buy the Cuban sugar crop. This neglect cost the American people a billion dollars. Aren't Democratic administrations pretty expensive?

Harry Norton passed thru Monday bound for Santa Cruz, Calif. Harry has sold his fishing schooner and will now make his home in California.

Mr. and Mrs. Frank Wade went up to Elk City yesterday for a short visit with Mr. and Mrs. Fay Plank. Mr. and Mrs. Wade expect to move to Portland, Sunday, for the winter.

G. B. McCluskey and J. B. Booth departed last evening for the south part of this county on a hunting trip. They expect to kill all the deer in the south part of this county and the northern part of Lane.

Stanfield will vote for Harding. Chamberlain will vote for Cox. Stanfield will support Harding if elected. Chamberlain will support Cox. There is the issue. Why should a Harding voter vote for Chamberlain?

We received a letter from G. H. Horsfall last evening stating that he had sold his business at Dallas and would again make his home on his ranch on Rock Creek in this county. Mr. Horsfall is a good citizen and we are glad to get him back.

SOUTH BEACH

Mr. Dozier returned from Portland Monday after visiting a few days with his son, and other friends.

Mr. Omland and E. R. Lynn had a hog killing bee last Tuesday.

The Literary is to have a Halloween program this week—all expect a good time.

Mr. and Mrs. W. S. King of Buhl, Idaho, are expected to arrive here in a few days to stay for one year. Mr. King has a fine farm near Buhl which he has rented out for a period of one year and expects to try Oregon until the time expires.

Mr. Johnson and wife have gone to Portland where they will reside indefinitely, they are just recently of Canada.

Lieut. Patterson and men have been here preparing railroad equipment that everything might be ready when the railroad company begins reconstruction.

Clarence Peterson killed a bear last Monday and was being treated a few of his neighbors to bear steak.

Mrs. Meta Van Hoeter and son, Frank, are at South Beach for a week as the latter has had no vacation this summer he has taken this time to spend a few days when he will return to Portland to his work.

The Parents-Teachers Club seems to be flourishing with Miss Hally and Mrs. Wilson as leaders.

Rev. Bush of Newport visited South Beach a few evenings since and preached an interesting sermon and left a promise of another visit.

Next Tuesday is Election Day! When we look back fifty years and see the difference in the meetings in that day and now. None but men were present and voted. None but men were present and drank. Some went to the polls drinking, some drank after they got there, some both before and after going. All stayed all day talked and argued politics, fought some, swore a great deal. Some getting so enthusiastic and drunk as to sing, "We went go home till morning" and some were not able to get home until morning.—But our modern elections are quite different to day the women go as well as the men and will take their places beside their husbands or friends and cast their vote quietly and gracefully and step back for the next one. We see no booze, we see no no disorderly, we hear no profanity. Men and women cast their votes and go quietly home or about their business. Now we are wondering how the occasion will be changed in the next fifty years. I was only a child of twelve years fifty years ago but I can remember distinctly my father coming home after staying all day and half the night and telling my mother of our neighbor who was of opposite beliefs, fighting and gouging each others eyes and biting like beasts. Oh yes there is a change and that for the better, I am

JOHN FOGARTY REPLIES TO ELK CITY VOTER

Editor Leader,
Toledo, Oregon.
Dear Sir:—
A voter of Elk City asked about the county debt. Yes, there was always a chronic debt every time I went into office that I had to help pay. I was appointed County Judge in February, 1913, and R. H. Howell's semi-annual report, dated the 1st of April, 1913, gave the actual indebtedness of the county as \$72,907.60. One year later R. H. Howell's semi-annual report, dated April 1st, 1914, gave the actual indebtedness as \$52,471.21 or a reduction of indebtedness of \$20,436.39 in one year. E. D. Anderson, public accountant, who expeted the books, filed his report Sept. 20, 1914, just three months before I retired from office, and the bottom line of that report reads: "Reduction of indebtedness for nine months \$37,091.87." Your \$72,907.60 is correct, but is made up of the balance of the chronic debt and the running expenses for the year 1914. At that time we were on the credit system and paid all our bills with warrants, but there was due and collectible the tax for 1914, which would clean up this account and part of the chronic debt also.

Now, as to the Grand Rapids tax affair: I was judge; Wakefield and Ludeman, commissioners; Walter Ball, assessor; G. B. McCluskey, treasurer; Bert Geer, sheriff; and Henry Howell, clerk. Every one of these men thought at that time that Lincoln County received every dollar in tax that was due her, as also did the County Attorney. It was through these men that the County Court received its information and acted on their judgment. Henry Howell is in possession of all the documents and if there is anything wrong he kept it under his hat for a long time. Does he say there is anything wrong now?

Thanking you, I remain,
Yours truly,
John Fogarty.
