

# Lincoln County Leader.

Historical Society  
Public Auditorium  
3rd between Clay & Market

VOLUME 28

TOLEDO, LINCOLN COUNTY, OREGON, FRIDAY, NOVEMBER 12th, 1920.

NUMBER 38.

## SILETZ

Now that the election is over we can all go to work to continue to build up a greater Lincoln County. The grading has left the roads worse than they were before. The money voted for grading the highway is nearly all gone and another \$200,000 bond will have to be voted to complete the grading. We must all go on, we can't stop if we expect state aid. I am told we have but little money for the building and improving county roads. The better our means of travel are the more progress we can make along all lines.

The tidal wave of Republicanism that has swept the country has almost retired the Democrats from holding any public office in the state. Through the kindness and sympathy of a bunch of Republicans in this county enough Democrats have been elected to office to retain the seat. In Polk and Benton counties all Democratic office holders were replaced by Republicans. This seems to emulate the spirit of Noah when he built the Ark to save the race.

Frank Davey, one of the State Industrial Accident Commissioners, stayed over night at Siletz while on his way to Taft to investigate the blowing up of the Parmelee sawmill, and the killing of Jesse Ferrin. Mrs. Ferrin is trying to get compensation for the killing of her husband. The accident was a sad one.

The Siletz Valley Grange held a cattle meeting Friday evening for the purpose of paying up dues and getting together for the winter work. At the next meeting two weeks from Friday. A basket dinner will be served and every Granger is invited to be present. The Grange is a great organization and ought to be kept up. It is a great benefit to the farmers, both socially and materially. Other professions and trades organize for their own protection and the farmers?

During this good spell of weather the farmers are busy digging their potatoes and setting them in the cellars where they will be safe from freezing. The yield is good and Siletz will be able to sell a good many thousands of bushels of potatoes.

A good deal of building is going on this fall. The hum of the sawmill and clank of the hammer can be heard on every hand. Lee Wade is building his new bungalow. George McCaulou has charge of the work.

Recently a number of persons have come to Siletz looking for land, when the price suits many of them will buy.

An Indian on getting a license to get married like white folks asked which was the best and would hold the tightest, the ceremony of a preacher, priest, justice or judge, and he was told the preacher's ceremony was the strongest but the Indian thought to buy his wife was the strongest then he could not leave, if she did he could bring her back like a horse, being virtually slaves.

## TAFT

A Dimick, port engineer, is doing some good work putting a dock at Taft. He not only is doing good work but is a fine man.

We were not only surprised to see Governor Olcott, but glad to get to shake hands with him and Dr. Steiner and State Highway Engineer Nunn. The Governor thought he would catch one of our nice trout so he got some tackle and eggs and went at the fish—soon they had all his eggs, then he borrowed some, and tried again, that time the fish appropriated his hook to their own use leaving him nothing but a line. We wonder if he thinks we are all socialists like the fish. However he said he liked it here and was coming back next year.

Mr. Stone and family are moving near Taft.

Mrs. Landen from Walla Walla is hired to teach the school on Drift River. She is an experienced teacher. Pitch in our wood we have in Oregon is discouraging to the cooks—Coal oil has been the remedy to take it off the hands and that leaves an odor that scents up the food. Just try a little butter, rub it on the pitch when you happen to get it on your hands, rub it well then rinse it off and see how clean it will take the pitch away.

## CHITWOOD

Mrs. Annie Hart and Mrs. Lydia Davis came up from Toledo Saturday.

Mrs. Mabel Beers of Nortons has been visiting with her mother, Mrs. H. M. Henry.

Mr. and Mrs. Oliver Johnson made a trip to Elk City Tuesday.

Perry Mosler has been troubled with a lame arm the past few days caused by getting kicked by a horse a short time ago.

Wedding bells have been ringing the past few days as Floyd Pepin has a brand new bride.

Mr. and Mrs. A. B. Dwinell were Toledo visitors one day last week.

E. A. Wildman returned home a few days ago after spending a few weeks taking in the sights in California and Mexico.

## SOUTH BEACH

Literary at Henry Omlid's this week. Duck shooting seems to be the favorite past time of all the young nimmers lately, killing and wounding a great many ducks which they never get which seems a great pity.

Rev. Bush of Newport passed thru South Beach enroute for Waldport on Tuesday evening.

We can hardly realize that winter is near these bright sunny days but when the east wind begins to blow it seems pretty close.

Nelson Wilson, wife and child left for Portland last week. Mr. Wilson came here for his health but did not improve so he had hoped to go to Portland to see if the climate be better for him there.

Sam Smith is moving his family to the Yachats that his children may have the advantage of school as there will be no school in their district this winter.

Sunday School at the South Beach schoolhouse every Sunday at 2:30 p. m. and all are cordially invited.

## LINVILLE

The Halloween party given at the home of Oren McWilliams, October 31st was well attended. The rooms were decorated with autumn leaves and Jack-o-lanterns; the evening was spent in playing games, after which supper was served and all enjoyed a pleasant evening. Those present were Mr. and Mrs. G. W. Stephen, Mr. and Mrs. F. F. McWilliams, Mr. and Mrs. W. S. Hunter, Mr. and Mrs. R. R. Mays, Mrs. S. Sheppard, Misses Josie Oakland, Lucylee Young, Mary Parks, Agnes Hunter, Thelma, Helen and Evelyn Sheppard, Olive, May, Oslie and Freddie McWilliams, Messrs. Oscar Oakland, Guy Twombly, Wilfred Stephen, J. R. Walker and son, Johnnie, Billie and Gilbert Hunter and little Robert Mays, Quentin McWilliams and the host and hostess, Mr. and Mrs. O. C. McWilliams.

Ollie Olsen has Mr. Hunter's gasoline engine to put his crop of corn in the silo.

Rex May has the lumber scowed over to build his house.

Miss Josie Oakland spent Sunday with Miss Hansen and her mother.

Ollie McWilliams spent Thursday night with Miss Mary Parks across the bay.

Miss Lucylee Young spent the week end with her friend, Miss Morback at Yachats.

Oren McWilliams killed a beef and delivered it Sunday afternoon. Rex May, Herb Twombly and Fred McWilliams each got a quarter to can and corn.

Mr. and Mrs. Dan Hendrickson were visitors at Mr. Tallocks Sunday afternoon. They are thinking of renting the Ryan place for a while.

Jim Briggs returned to Elk City after spending a couple of weeks on his homestead.

Mr. and Mrs. F. F. McWilliams and family spent the day with Mr. and Mrs. Rex May, Sunday.

Mr. and Mrs. G. W. Stephen were visitors at the J. R. Walker home Sunday.

## BIG ELK

Evelyn Payne was home on a visit last week-end. She has been attending the Academy at Philomath.

Rev. Phelps of Summit held services in the Grant School house last Sunday. He will be with us on the third Sunday in each month hereafter.

Elmer Watkins of Glen returned to N. L. Grant's Wednesday to work.

We were glad to hear Mr. Payne had bought Plunkett and Tompkins' interests in the Harlan store. Mr. Payne is an obliging merchant and very fair in prices.

Everyone reported a fine time at George Kidenour's dance.

Charley Allison has started to work again after being laid up some time with a cut foot.

A very charming Halloween party was held at E. F. Norwood's. The evening was spent in games, cards and dancing. A lovely supper was served at twelve o'clock.

Mr. and Mrs. J. T. Calkins left last week for an extended visit in Toledo and vicinity.

Election day is over and everyone is waiting patiently (?) to see if his or her favorite man is elected.

B. O. Young came up from Elk City Sunday to be at home election day.

Let it rain now and watch the saw logs pile up on the banks.

## DEATH NOTICE

Mallinda Jane Wilson, died at her home near Modesto, California, Sunday, November 7th, after a lingering illness, at the age of 66 years. She is survived by the husband, Joseph E. Wilson, and one daughter, Mrs. W. N. Cook, of Chitwood, Oregon; a grand daughter, Mrs. Mable Jacobson of Pioneer, Oregon; and five grandsons, Ernest, Alvin, Albert, Elbert, and Elmer Cook of Chitwood, Oregon; and two great grand children, Glen and Carl Jacobson of Pioneer, Oregon; and three sisters, Mrs. Emma Wood, of Toledo, Oregon; Mrs. Anna Newton of Livingston, Ill.; Mrs. F. M. Affolter of Cedar Rapids, Iowa; and one brother, Alvin E. Bliss, of Marlon, Iowa.

The body will be forwarded to Chitwood, Oregon, where services will be held and interment made.

## CATHOLIC CHURCH

Next Sunday, November the 14th, services will be held at Siletz at half past nine Sunday School will be held and at ten o'clock mass and sermon. Services at Toledo, mass and sermon at nine-thirty o'clock.

Father Vollebregt.

## ST. JOHN'S CHURCH

November the 14th.—Church School at ten o'clock; Morning Service at eleven o'clock; Evening Service at seven thirty. A cordial invitation is extended to all.

HAY! HAY! HAY! HAY! HAY!  
Hay \$28 to \$33 per ton.  
Ernst \$2 per pound.  
Oats \$55 per ton.  
Recleaned clover seed 30c per pound.

WATER FRONT FEED STORE  
E. M. Dodels, Prop.

## OFFICIAL CANVASS OF LINCOLN COUNTY VOTE

The official canvass of the vote for Lincoln County gave the result as follows:

For President:  
Harding 1234, Cox 565. Harding's plurality 669.  
For United States Senator:  
Chamberlain 938, Stanfield 1023. Stanfield's plurality 75.  
For Representative, Hawley 1459, Talbert 219.

For Secretary of State, Kozer 1556, Sears 193.

Dairy and Food Commissioner, C. L. Hawley 1563, VonBehren 221.

Public Service Commissioner, Bennett 496, Buchtel 1126.

State Senator, C. J. Edwards 1415.

Joint Representative, D. E. Fletcher 1371.

District Attorney, G. B. McCluskey 1452.

County Judge, John Fogarty 1073, R. H. Howell 950. Fogarty's plurality 123.

Commissioner, C. M. Warren 1497.

Sheriff, R. R. Gwynn 751, W. E. Simpson 1223. Simpson's plurality 472.

Clerk, Carl Gildersleeve 1585.

Treasurer, Ira Wade 1675.

Assessor, A. G. Schwartz 953, Ed. Stocker 1093. Stocker's plurality 50.

School Supt., R. P. Gola 1522.

County Surveyor, Ord Castle 991, Z. M. Derrick 852. Castle's plurality 139.

Coroner, F. M. Carter 1571.

Toledo Port Commissioners elected are L. D. Nash, Guy Roberts and Lee Wade.

Newport Port Commissioners elected are Fred Dawson, Frank Priest, Chas. Sheffield and A. J. Van Wassenhove.

Waldport Port Commissioners elected are Sam Hayes and Chas. Knowles.

All measures were voted down in this county, the vote on the different measures being as follows:

Compulsory voting and registration measure. Yes 507, no 1061.

Regulating Legislative Sessions and the payment of Legislators. Yes 679, no 685.

Oleomargarine Bill. Yes 711, no 815.

Single Tax Bill. Yes 320, no 1151.

Fixing term of County Officers. Yes 687, no 737.

Port of Portland Dock Commission Consolidation Bill. Yes 490, no 725.

Anti-Vaccination Bill. Yes 486, no 990.

Fixing Legal Rate of Interest. Yes 317, no 1181.

Roosevelt Bird Refuge. Yes 503, no 963.

Divided Legislative Session. Yes 493, no 801.

State Market Commission Act. Yes 480, no 886.

## SILETZ SCHOOLS

During the last report month several additional pupils have been enrolled, bringing the total up to 115. During the month there were 56 pupils neither absent nor late, which is the same number as shown for the preceding month. In the upper grades the percentage of attendance is slightly lower owing to the need for some to help a day or two with special rush work at home. The highest record for attendance for the month is shown in Mrs. Colvin's room with a percentage of 99.7.

The seventh-eighth grade room has recently had the addition of new black board, teacher's desk and chair. Some additional seats have also been put in, and on Saturday several of the pupils with their teacher, Miss Treat, were found putting additional touches of improvement to this newly established class room.

The new gymnasium has now received a coat of paint, and Mr. Adams, the painter, has also been using some carpenter work about the building. Upon approaching the east side, one notices the new platform and sidewalk, and, upon entering, he will note at the south end of the floor a strong balustrade, and at either end the backboards and rings for basket ball. The windows are being screened, and on the floor can be noticed the recently painted lines of the court for volley ball or basket ball. This floor is used for various games every school day, and on the evening of election day the boys were able to hold the first practice game in basket ball. It is planned that the south end of the building soon be improved for the special play of the smaller children. It is felt by all that this building means much, and that with the addition of the east doors and some heating, lighting, and stage facilities, it simply cannot be surpassed for various programs and community assemblies.

The large school flag has been repaired and some steps taken toward preparing the pole for flying it soon—If possible by Armistice Day.

## NOTICE

In the Circuit Court of the State of Oregon for Lincoln County  
Notice is hereby given that the undersigned has been appointed receiver of the Nashville Creamery Association, by the above entitled Court, and has filed his understanding as such receiver which has been accepted and approved by the said Court. All persons having claims against said Nashville Creamery Association are hereby notified to present the same duly verified as by law required, to the undersigned at his office in Toledo, Lincoln County, Oregon, within sixty days from date hereof.

Dated and first published November 12th, 1920.

Ira Wade,  
Receiver Nashville Creamery Association.

## SAWMILL DEAL CLOSED

The deal for the purchase of the Fischer-Storey sawmill was closed at Portland last Friday and money was telegraphed in Saturday to pay off all outstanding claims owed by the company here.

G. W. Ford arrived down from Portland Sunday evening to take charge here, and we understand it is the intention of the new company to begin construction work here within ten days or two weeks.

H. S. Amon, Don Meldrum, R. L. Herren, and Seymour J. Bell, Portland capitalists, arrived in Toledo Wednesday evening, and spent yesterday looking over the mill and electric light plant.

It is rumored that the railroad will be extended at once as far as the Siletz river.

## ROCK TO BE QUARRIED AT OLD TOLEDO QUARRY

The Miami Quarry Company which has the contract for building the South Jetty is this week moving its base of operations from the Pioneer Quarry to the old government quarry two miles above Toledo. When all rock now quarried at Pioneer is loaded, rail shipment will be discontinued, and the rock from the new quarry taken to its destination by scows.

It is believed that much money would have been saved had the rock been taken from the government quarry in the first place.

## AT THE MOVIES

Tonight "Loot" and Magazine Weekly—25 and 10 cents.

Saturday Only—A 2-reel "Fatty Arbuckle Comedy" "Back Stage" also Drama "Strife"—30c. and 15c.

Sunday and Monday, a two-reel comedy "Petticoats and Pants" also the drama "The Forbidden City"—30-15c.

A Bill Hart Picture is expected for the middle of the week with a comedy—25 and 10c.

Look for Friday's announcement—School Entertainment.

## M. E. CHURCH NOTES

The pastor will preach at Eddyville Sunday the 14th, in the morning and at 7:30 p. m. There will be no preaching service in Toledo.

Sunday School 10 a. m. and Epworth League 7:30 p. m. as usual.

The Church tower is completed at a cost of \$100.00—the money is being raised to pay for it. Back of the pulp is a subscription bulletin with a \$5 and a \$10 subscriptions to start the payment of the above. All must be subscribed by Thanksgiving. Don't fail to get your subscription in while the getting is good. Some give according to their means and some according to their meanness, which class are you in?

Jesse Gwynn goes to Silverton this week to meet his wife who is returning from a three months visit in New York.

We noticed some new people in Church Sunday, wonder if Toledo is going to boom?

The pastor will give the Yellowstone lecture, illustrated, at Eddyville Saturday at 7:30 p. m.

## "IT WILL BE A HUMMER!"

This is what the varsity "O", the greater O.A.C. and the vigilance committees say about Home-coming week, November 19 to 21. The Aggie-U. of O. football game is expected to draw a capacity crowd. Tickets are going like hot cakes.

Letters with attractive orange-and-black envelopes have been sent to all the alumni in an effort to get all the old students back to see the Oregon game, and to take part in the festivities of their alma mater. Reunions have been planned in various fraternities houses, and banquets, feeds and other festivities arranged.

The bonfire built by the freshmen, will feature the entrance of the old King Jazz, according to the committee. This bonfire is an event in every rook's life. The bonfire last year was 25 feet square and lighted up the heavens so that it could be seen on the University of Oregon campus. The classes will guard the fire Thursday night. It is the custom that the seniors take the first shift, the juniors next, the sophomores the graveyard shift from 12 to 4, and the rooks finish the night.

The rally Friday night will be started by the monster fire and stunts and talks will be featured. The annual rock-soph bag rush is scheduled for 10 o'clock Saturday morning. The rush will be inspired by the seniors, as is always the custom.

The big O. A. C.-Oregon game will occupy the afternoon. The varsity 'O' men, alumni and active will banquet at 6 o'clock Saturday. The board of regents will be in attendance and it is hoped that the governor will stay over for the festivities. Wallace Kaddler, formerly Aggie track mentor, is in charge of the banquet.

The crowning event of the week-end will be the varsity "O" dance Saturday evening. Both the men's and women's gymnasiums will be used. Open house will be observed at 3 o'clock Sunday afternoon.

## NOTICE

Notice is hereby given that a meeting of the land owners in Lincoln County Diking District No. 2; formerly known as the Olalia Diking District, will be held in the County Judge's office at the courthouse at Toledo, Oregon, on the 27th day of November, 1920, at the hour of two o'clock P. M., for the purpose of electing a board of three supervisors.

R. H. Howell,  
County Clerk.

## ROOSEVELT HIGHWAY

Newport, Oregon, Nov. 7, 1920.  
To the Editor:—

The Roosevelt Highway is not dead only sleeping. Congress convenes in December and we must all get busy and boost for it. The situation at present is, the Hawley Bill is pending before the Congressional committee on roads in the House. This committee consists of 21 members, a majority of the committee seems favorable to the measure.

The last publicity work done for the Roosevelt Highway was in February last when at a meeting of the Public Lands States Highway Association, held in Washington, D. C., the following resolutions were adopted. The eleven western public lands states were all represented at this meeting including the Governor of Alaska there being forty delegates present. This association was in session for a week and did much to create favorable sentiment for the increase of appropriations for roads in these eleven public lands states, as well as for the Roosevelt Highway.

Our sister states, Washington and California having introduced bills in Congress for the continuing of the Roosevelt Highway along the California and Washington coasts, means that if the Roosevelt Highway is built it will cover the whole of the coast from Puget Sound to the Mexican line, and will be the most wonderful highway in the world. The thing to do is to create sentiment, many of the large papers in the east have endorsed the building of the Roosevelt Highway including the New York Times.

Write to your Congressman and ask your friends to write to their congressman in the east. Get every newspaper and chamber of commerce busy. We can and we will if we all work together. Hundreds of good people have friends and Congressmen in the eastern and western states whom they might call in the army for the boosting of the Roosevelt Highway.

B. F. Jones.

## PUBLIC LAND STATES HIGHWAY ASSOCIATION RESOLUTION

Washington, D. C., February 12, 1920

Whereas, Oregon is a public land state and has within its boundaries 15,578,763 acres of forest reserve or 21 per cent of all the land in the State not including Indian Reservations, National Parks and power sites.

Whereas the State of Oregon has issued bonds in the sum of \$18,000,000 in order to finance highways.

Whereas large sums of money have been spent by the State of Oregon and the counties thereof in building roads many miles of which are located within the Forest Reserves.

Whereas the port districts of the State of Oregon have expended approximately \$8,000,000 in improving the rivers and harbors in the State of Oregon thereby benefitting all the States of the Union.

Whereas in order to get Government aid for rivers and harbors the people of the State of Oregon are required to cooperate with the Government on a 50-50 basis.

Whereas in the 1919 session of the Oregon Legislature there was passed and approved by the Governor a bill for the issuance of \$2,500,000 bonds for the construction of the Roosevelt Coast Military Highway along the shores of the Pacific Ocean in Oregon.

Whereas this action of the Legislature was referred to the people in a special vote on June 3rd, 1919 and by a majority of more than 2 to 1 the people adopted the project and authorized the issuance of the bonds contingent upon the Government of the United States appropriating a like sum of \$2,500,000.

Whereas, Hon. W. C. Hawley, Congressman from Oregon, has introduced a bill in the Congress of the United States providing for the appropriation of \$2,500,000 to match the Oregon appropriation.

Whereas the building of the Roosevelt Coast Military Highway is of vital importance to the people of the State of Oregon and to the Government and if constructed will result in the opening up to settlement of large areas of Government land and will form a link in a coast highway from Puget Sound to the Mexican line.

Whereas the construction of the said Coast Military Highway will be of incalculable value to Oregon and the Pacific Coast as a military proposition and in the matter of providing quick transportation for life saving apparatus along the Oregon Coast and will result in the saving of life and property.

Be It Resolved by this Conference of Delegates representing Northwestern States and Alaska that have National Forests Reserves, in session here assembled in the Interior Building in the City of Washington, D. C., this 12th day of February, 1920, That we do hereby most respectfully urge and request that the Congress of the United States of America give attention to the passage of the Hawley Bill, that our Senators and Representatives representing Reserves use all honorable means to this end.

Introduced by B. F. Jones, Secretary of the Roosevelt Highway Association.

## PUBLIC LAND STATES HIGHWAY ASSOCIATION RESOLUTION

Washington, D. C., February 12, 1920.

The attention of the Nation should be called to the weak defensive condition of the Pacific Coast States due to lack of a road system which might be used in meeting transportation requirements of a defensive operation

against a well prepared enemy, who could now, at a signal, cripple our Rail Transportation—land a large force along the coast of Oregon and Washington, occupy and fortify the Mountain passes, and become established so well before supporting communication could possibly sustain an expelling force that the resources of the occupied country would make possible an extended warfare for some years and endanger the entire country if this enemy should have strong allies capable of simultaneous attack from South and from the waters of the Atlantic. Now is the time to see the true value and estimate what it would mean to have the healthy moderate climate, fertile soil and resources west of the Rockies in control of a vigorous persistent attacking force with man power, intelligence and united determination against the country.

Captain, W. R. Cupp, U. S. A.

## AND STILL \$2.50 A YEAR

Think of 52 splendid weekly issues of the best reading—all of it from original sources—the widest variety—equal to 35 volumes, and adapted to every age in the family.

That means a year of The Youth's Companion. And what it means to the family life cannot be computed. Splendid Serial Stories in weekly (not monthly) portions sustain high interest. 300 Short Stories. Exceptional Articles by exceptional authorities, special pages for the Family, the Boys, the Girls. Strong, mature minds prize The Companion's Editorial Page, every one enjoys its humor, and all hands soon find it "one of the family."

One paper for all the family. The Companion takes the place and saves the price of several publications. Still \$2.50 for a year of 52 issues, but this price not guaranteed beyond January 1, next.

New subscribers for 1921 will receive:

1. The Youth's Companion—52 issues in 1921.

2. All remaining weekly 1920 issues.

3. The Companion Home Calendar for 1921.

—All the above for \$2.50.

4. McCall's Magazine for 1921, \$1.50—the monthly fashion authority. Both publications for only \$3.50.

THE YOUTH'S COMPANION, Commonwealth Ave. & St. Paul St., Boston, Mass.

New subscriptions received at this office.

## WATER PERMITS SECURED

During the months of August and September eighty-eight permits to appropriate water were issued by State Engineer, Percy A. Cupper. These permits were issued to people in all parts of the State.

In Lincoln County, permit has been issued to F. Droege, of Toledo, covering the appropriation of water from an unnamed stream for domestic water supply and irrigation of two acres, at an estimated cost of \$300.00 for installation.

Also to Siletz Logging & Lumber Company covering the appropriation of water from Siletz River for the purpose of storage for log pond purposes, the cost of which amounts to \$6000.00.

## CALIFORNIA

"California for the Tourist" a new twenty-four page illustrated booklet issued by the Southern Pacific is just off the press. The cover design is a work of art in five colors, the "Golden Poppy" so characteristic of California
