## LINNVILLE

Ole Olsen was a Waldport visitor Tuesday. She has been visiting with her father, William Tullock for eight past few weeks.

Blanchard Tullock visited with his father and sister last week. Olive McWilliams has missed several days of school on account of bad weather.

Mrs. Beebe left Saturday morning for Beaverton. She has been visiting with her father, William Tullock for eight past few weeks.

Olive Quent'n and May McWilliams spent the evening at Fred McWilliams' Thursday.

Mr. Mays and Oren McWilliams are getting some materials for the foundations of Mr. Mays' house.

Miss Hannah Hansen was visiting with Miss Josie Oakland Sunday.

Ole Olsen was down to the Bay again Saturday.

J. Simonds was in Waldport Saturday. Lee Doty was down to the Bay Sunday after a calf that was sent over on the stage.

Mr. and Mrs. Mays and Oren McWilliams and family spent the day at Fred McWilliams' Sunday.

Miss Lucyle Young called on Miss Oakland Saturday evening.

Misses Lucyle Young, Olive May, Orie McWilliams and Agnes Hunter called on Mrs. Stephens Sunday afternoon.

Lawrence Hendrickson and his sister Mrs. Serena Sheppard left on the stage Monday. Lawrence is going to visit his parents in Albany and we judge from certain reports that Mrs. Sheppard is going to change her name.

Mr. Hunter and Mr. Mays went out digging clams Tuesday afternoon.

Quentin McWilliams spent the day with Johnnie Walker last Sunday.

Conrad Thompson of South Beaver and Albert Oakland of Bayview visited with Clarence and Grover Doty from Friday until Sunday.

J. Simonds was a Bayview visitor Tuesday.

G. W. Stephen called on Oren McWilliams Tuesday.

Mrs. Twombly and son, Kenneth, were over to Waldport Saturday.

## HARLAN

H. F. Briggs and son, Maine, of Burnt Woods were over on Big Elk in the interest of their logs.

Mr. Ashbarr of Dallas came in on the stage Wednesday to winter on his homestead on Piegles Creek.

Olie Adams is hauling lumber from R. L. Hathaways for a new house on the home place.

Church was well attended Sunday. Mr. Phelps gave a good talk.

R. L. Hathaway and family and Miss Leach attended Grange Saturday.

Mrs. Cator and children came down to Grange Saturday.

Leslie and Ivan Crawford are building houses on their homesteads on Big Elk. The more the merrier, keep a-corning.

Z. A. Kessi visited B. F. Grant Sunday.

Miss Francis Weylitt was a weekend guest of R. E. Grant's.

Everyone was glad to see the high water. Everyone got most of their sawlogs into the Big Elk River. Mr. Dolly (boss of the drive) said most of them went into the boom at Elk City.

Mrs. F. B. Shaw, formerly of Big Elk was in on a visit recently.

Mr. Apelt is improving after being quite sick for a few days.

Vera and Florence Payne visited with Miriam Grant and Miss Owenby Sunday.

Don't forget the big Thanksgiving dance at N. L. Grant's Thursday night.

## SOUTH BEACH

Some people are having their Thanksgiving a little early and we hope they feel they have considerable to be thankful for.

The Literary Society had its Thanksgiving supper on Tuesday evening of November 23d at the home of Wm. Dozier, with plenty of good things to eat.

The Bell Telephone's cable was brought to the South Beach dock last Tuesday.

M. M. Hoffman and Mr. Emons have been hauling cedar timber from the beach which they expect to make up into shingles. The blocks are cut with his wood saw.

Wm. Bain made a business trip to Toledo last Tuesday returning in the evening.

South Beach is coming to the fore and we don't see why our local papers ignore it so much, always giving Yaquina and Waldport credit for what is due South Beach. Now our thriving little burg is situated between the two—then why fly clear over us, for we are growing and mean to keep on growing and will some day be a place worth mentioning. There will be a creamery here sometime in the near future and perhaps a cheese factory and a light plant to light our little city up. So take care how you slight us!

## TAFT

The Beach from Siletz Bay to the mouth of Salmon River is strewn with beautiful agates of all kinds. Many fine water agates have been picked up.

Harvey Hill and Oscar Nelson have moved to Drift River and set up Batchelor Hall. To tell about all the batchelors would waste too much paper.

The Michigan Lumber Company says that freight is so high by rail that if they operate on Siletz Bay they must have 30 feet on the bar and 27 feet in the Bay. Captains Charles Dean, Latham and Tabell all have said that if a short jetty was put in on the South of Siletz Bay mouth, with the rocks on the North to lead the water straight out, the winter freshets would wash out a channel that would not fill up all summer.

The Company has said that it expects to run logs at least, all the way for 100 miles, and cut a million feet a week. Many of us are holding timber who would be glad to sell, and this means much to us. A man will be in the Spring to survey and lay out plans. Will each one help or give the County a black eye, and be a dog in the manger? If you can't speak a good word say nothing, acknowledge you don't know anything about it. If you have one half million, and want to put it into something good, we people at Taft will talk to you, or tell you of some one who knows more about the County than we do.

## TOLEDO HIGH SCHOOL

The Thanksgiving football game, N. H. S. vs. T. H. S., was played on the Toledo ball grounds. After a gritty struggle the game resulted in a score of 0 to 0.

The Quesso Crescentia vaudeville benefit last Friday night was a great success. The sum of \$35.00 was cleared and everybody seemed pleased with the show.

A Thanksgiving program was held in the assembly room Wednesday afternoon. The following program was rendered:—Song, "America," School, In Commemoration of 300th Anniversary of America's Origin, Viola Turner; President's Proclamation, Claire Altire; Music, George Freeman, Henry Callister, Clara Bristlin, accompanist, Thelma Fowler, violin, Louise Whippo; Story, "Three Hundred Years Before Jazz," Edith Young; Music, Lillian Dickson, Sada Chambers, accompanist, Thelma Fowler; Recitation, Catherine Collins; Song, "Thanksgiving," School.

The T. H. S. gave a birthday surprise Wednesday evening in honor of Mrs. Barber at the Barber residence. A jolly evening was spent in playing games and a delightful lunch was served.

## SILETZ SCHOOLS

The meeting for organizing the Community Club was held in the seventh-grade room on Saturday evening. It was well attended and the organization was nearly completed. As officers Mr. Ross was elected president; Mr. Eagy, vice-president; Miss Trout, secretary; and Miss Southwell, treasurer. Besides temporary committees, two standing committees were appointed, one a program committee, and one for the maintenance of a traveling library. Much enthusiasm was shown for backing this organization.

After the meeting a basket ball game was played, the High School team and the "Town" team competing. The playing ability was well divided, and not only was the game enthusiastic, but a positive interest shown by the cheering on the side lines. The final score was 17 to 14 in favor of the High School team.

On Monday afternoon a meeting was held by the girls for the purpose of organizing a girls' basket ball team. Miss Margaret Miller was elected as captain, and Miss Alma Ojala as manager. A number of matters concerning the organization and equipment on the team were discussed.

Thanksgiving time was observed in the school by a splendid program on Wednesday afternoon. The program consisted of more than thirty separate numbers, there being specially commendable work on the part of the little folks, who all took part in many songs, recitations and drills. Limit of time and space only prevents the listing of the numbers of this Thanksgiving celebration, in this issue. The program was heartily enjoyed by all present, and the spirit of attention and enthusiasm was most excellent.

## THREE COMMITTEES APPOINTED

At the meeting of the Chamber of Commerce last Monday evening three committees were appointed as follows: 1—a committee to confer with the highway engineers with regard to the location of the Newport-Corvallis Highway thru Toledo, 2—a committee to see what can be done toward improving the road to the Cemetery, 3—a committee to take up the matter of consolidation of the Toledo, the Parrish and the Stanton school districts, and the operation of trucks to bring all to one central school.

## FOOTBALL GAME RESULTS IN TIE

The football game on the local gridiron yesterday between the Newport High School and the Toledo High School resulted in a no score game. The field was very wet and sloppy from the heavy rains of the past week and made a very slow game. Toledo was better on the offensive than was Newport, but not enough so that they could put over a touchdown, and with the superior punting of young Coleman for Newport, the latter team managed to keep their goal from being endangered.

L. E. Bain of Yaquina acted as referee and C. O. Hawkins of Newport umpired.

## THE "EVENS" WIN

Big Barbecue to be held at Fair Building, Saturday Noon, December 4th, 1920

ALL LINCOLN COUNTY INVITED

As a result of the big membership drive put on by the Toledo Chamber of Commerce between the "Odds" and the "Evens" sixty-nine new members were added. R. A. Arnold captain of the "Odds" turned in 32 new members and S. E. Newkirk captain of the "Evens" turned in 37.

According to agreement the losing side will serve a big barbecue at the Fair building, on Saturday, December 4th, at noon. Everybody in the county is invited to attend. No matter whether you belong to the Toledo Chamber of Commerce or not, come, everybody who is able to get there is invited, and a big feed is assured.

The Toledo Chamber of Commerce now has 150 paid up members at \$10 each, which gives the Chamber \$1500 to commence work with. Some think this money should be used in the hiring of a Secretary, others think it should be used in beautifying our town, while still others think it should be used in the improving of streets and sidewalks, and roads leading into town. What do you think?

We believe that Lincoln County is going to go ahead rapidly during the next few years—everything points that way—and we cannot but believe that it will. Toledo hopes to double its population within the next twelve months. More houses are needed, industries are looking for locations, our schools will have to be enlarged, and the Chamber of Commerce is the body that will help to solve these problems.

Come out next meeting and let us have your opinions. Put your shoulder to the wheel and boost.

## "A GOOD PROVIDER"

When it comes to being "a good provider" no man would pride himself on furnishing trash liberally for his family. The family is entitled to good, wholesome food that helps growth.

It is the same with reading. Good reading pleases and creates its own hunger for more good reading. The Youth's Companion is the best of reading for all—every member—every age.

And it comes every week—crowded with the best. Let us prove it with a sample.

The Youth's Companion has long since ceased to provide for "Youth" alone. It has become the favorite all-the-family weekly of America. Its name is a misnomer, but is retained for the sentiment it has generated in American homes through its service to every age.

Still \$2.50 for a year of 52 issues, but this price not guaranteed beyond January 1, next.

New subscribers for 1921 will receive:

1. The Youth's Companion—52 issues in 1921.  
2. All remaining weekly 1920 issues.  
3. The Companion Home Calendar for 1921.

## RECEIVES LETTER OF COMMENDATION

Lieutenant W. K. Patterson was recently in receipt of a letter of commendation, which was given by Secretary of the Navy Daniels to his son, Ensign G. A. Patterson of the U. S. S. Birmingham.

Young Patterson started serving his government when in July 1916 he left for the Mexican border as a trumpeter with the 1st Ohio Cavalry. Later he was recalled from the border and sent to Annapolis, receiving his appointment from the 21st Congressional District of Ohio. He is now serving as Ensign on the cruiser Birmingham.

The letter of commendation follows: Navy Department, Washington, 20th of September, 1920.

From: The Secretary of the Navy. To: Ensign G. A. Patterson, U. S. N. Via: Commander, Destroyer Flotilla Five.

Subject: Commendation.

1. The department is in receipt of a report dated 7th June, 1920, from the Commanding Officer of the U. S. S. Chauncey from which the following is quoted:

"When the Chauncey arrived near the men in the water, Lieutenant J. G. Atkins, U. S. N., from the Chauncey, and Ensign G. A. Patterson, U. S. N., from the Birmingham, jumped overboard and took a line to the man. They also held up Gilmore relieving the previous two men of this job and superintended, from the water, the landing of all men. Their arrival was timely, as about this time, owing to their previous hard work, the two men with Gilmore were unable to properly support him and his head was almost continuously under water, they also placed a life preserver around Ketland. I deem their action worthy of a letter of commendation and that a copy of such letter be filed with next report of fitness."

"I consider that the action of all officers and men mentioned in this letter, in keeping with the best traditions of the Naval Service."

2. The Department wishes to commend you for the prompt and effective assistance rendered by you, which, no doubt, materially aided in saving the lives of these men. This work was undertaken at considerable risk to your own life and your conduct was therefore in keeping with the best traditions of the Naval Service.

3. A copy of this letter will be filed with official efficiency record.

Joseph M. Daniels.

## COMMITTEE REPORTS

Ports of Toledo and Newport, Newport, Oregon, Nov. 16, 1920. Mr. Alfred A. Aye, Secretary Northwest Rivers and Harbors Congress, Oregon Building, Portland, Ore.

Dear Mr. Aye:—

Your committee appointed by the Northwest Rivers and Harbors Congress, October 4-5, 1920, to gather data and report on the matter of building dredges to operate on the harbors along the Oregon Coast, beg leave to report as follows:—

After taking this matter up with the United States Engineers and from all other information we have been able to obtain, we recommend the building of two dredges, one to be used on Bar dredging and one to be used on the Bay as follows:

One 28 inch suction line dredge estimated cost \$400,000.  
One light sea-going suction dredge, estimated cost \$500,000.

With these two dredges it would be practical to dredge the river and harbor project under consideration along the Oregon Coast and keep the bars clear as well as the shoals in the inner channels.

This includes the projects of the Port District at Coquille, Coos Bay, Umpqua, Siuslaw, Yaquina, Tillamook, and Nehalem which have improved their harbors on a fifty-fifty basis and the most of them have bonded to the limit and the only way they can dredge the bars in any of the bays is through an appropriation by Congress to build these dredges and to be operated by the Government.

Respectfully yours,

B. F. Jones,

I. B. Cushman,

Committee.
