

Another Royal Suggestion Griddle Cakes and Waffles

From the NEW ROYAL COOK BOOK

THERE is an art in making flapjack pancakes, griddle cakes or waffles, call them what you will. But it is an art very easily and quickly acquired if you follow the right recipes. The secret, of course, is Royal Baking Powder.

Griddle Cakes
1 1/2 cups flour
1/2 teaspoon salt
3 teaspoons Royal Baking Powder
2 eggs
1 1/2 cups milk
1 tablespoon shortening
Mix and sift dry ingredients; add beaten eggs, milk and melted shortening; mix well. Bake immediately on hot griddle.

Waffles
2 cups flour
4 teaspoons Royal Baking Powder
1/2 teaspoon salt
1 1/2 cups milk
2 eggs
1 tablespoon melted shortening
Sift flour, baking powder and salt together; add milk to yolks of eggs; mix thoroughly and add to dry ingredients; add melted shortening and mix in beaten whites of eggs. Bake in well-greased hot waffle iron until brown. Serve hot with maple syrup. It should take about 1 1/2 minutes to bake each waffle.

Frederick's QUALITY Store

Keeping Prices Down

DURING THE LAST FEW WEEKS WE HAVE MADE TREMENDOUS REDUCTIONS IN THE PRICE OF HIGH GRADE GROCERIES.

OTHERS HAVE ALSO LOWERED PRICES BUT WE CONTINUE TO KEEP OURS THE LOWEST IN THIS SECTION OF THE STATE; AND WE DO IT WITHOUT LOWERING THE QUALITY OF OUR GOODS.

OUR SYSTEM OF LOW PRICES, QUICK SALES AND SMALL PROFITS HAS WORKED WONDERFULLY WELL.

Building Oregon

No one appreciates the growth and development of the State of Oregon more than the Public Utilities who serve it and supply the telephone, gas, electric and transportation facilities which promote the business of the State and the welfare of its people. Proof of that growth is scarcely necessary. The statistics published daily in the press, showing bank clearings, building permits, imports and exports, real estate transfers, all bear testimony to a tremendous business activity and a volume of trade far in excess of that of five years ago.

With all this growth and activity there has been an increasing demand for telephone service—greater than our present facilities can supply and greater than our present revenue will allow us to meet. During the present year we have handled in excess of 48,000 orders for telephone service in the State of Oregon and at the present time have 3500 unfilled orders on hand.

The constant demand for telephone service can only be continuously met with a plant sufficient for present needs and a reserve for growth which will permit of promptly handling installations, changes and moves. This Company has no apology to offer for what it has accomplished in the way of meeting the demand for telephone service during and since the war. It is a record to be proud of—but it cannot continue to meet this demand with its present facilities exhausted and a deficit in its earnings.

Arrangements must be made for the necessary plant and equipment to keep pace with Oregon's tremendous growth. We want the people of Oregon to realize our present situation and the problems now confronting us and help us to take a proper part in the development of this State.
